Sewer Plan Financing To Undergo Changes

Program Outlined for Bellemore Village Group By City Officials

Questioned in detail about proposed financing plans for the $9,925,000 master sewer and drainage program, City Atty. William Beatty told members of the Bellemore Village Civic & Improvement Association Thursday evening that preliminary figures given in the Dec. 13 Citizens' committee report are in process of being revamped and the outcome will be made public within 30 to 60 days.

Beatty stressed to the 45 persons in the audience at Frohardt school auditorium the need for the master plan should be given first consideration, and then individual citizens should decide if the need offsets the cost. "Full details of all changes in the financing program will be made public, and there'll be ample time given for Granite Cityans to study it and make up their minds," Beatty said.

The meeting was the first public gathering to discuss the master sewer and drainage program and was attended by six aldermen, including Casmer Skubish, Samuel Shackelford and Steve Basarich, who opposed the hiring of a fiscal agent three weeks ago; and Frank Vesci, chairman of the council's Special Sewer committee, Mrs. Gabrielle Betinec and Donald Partney. Also present from the city were Supt. of Streets William Warfield, Atty. Beatty and the project engineer, Edward Juneau. V. A. Haroian, president of the group presided.

When it was brought out by members of the association that the current program contains few drainage benefits for the Nameoki area, City Atty. Beatty, who lives in the Nameoki area, pointed out the Nameoki sanitary sewer system is connected onto the combined sanitary-storm water sewer system of the older section of Granite City and is dependent on it for efficient operation.

Nameoki Sanitary Problem

"When a heavy rain fills the Granite City lines, the Nameoki system's lift stations continue to pump sewage and those of you living near the lift stations know they pump raw sewage into the gutters and it runs in front of your homes. That can't be helped now, but it can be corrected."

He explained the separation of sanitary and storm water flow in the older sewer system of Granite City would provide greater capacity for the sanitary flow from the Nameoki area. "The overall program," he added,

James Frangoulis, Retired Madison Meat Packer, Dies

James G. Frangoulis, 63, retired president of the Madison Packing Co. and a director of the First National Bank in Madison, died Saturday at DePaul Hospital, St. Louis, shortly after arrival there.

Mr. Frangoulis had been ill with a heart affliction for several years. He was taken to the hospital, Saturday after being suddenly stricken at his home, 7010 Delmar blvd., University City, Mo.

He and an older brother, the late John Frangoulis, operated the meat packing firm in Madison until it closed two years ago. A native of Greece, Mr. Frangoulis arrived in St. Louis 50 years ago.

Survivors include his wife, Mrs. Esther Frangoulis; two brothers, William of Madison and Saraphim Frangoulis of Corinth, Greece; and two sisters, Mrs. Angeline Mastellos and Mrs. Christine Tselios, both of Greece.

Funeral arrangements are given in the obituary column.

Jacob Rosch, Liquor Store Operator, Dies

Jacob Rosch, who operated the Venice Liquor Store at 136 Broadway with his brother, Samuel, died at his home at 11:30 a.m. Friday following a long illness. He was 75 years of age.

Mr. Rosch opened the liquor store in 1948, operating it with his brother until illness forced his retirement in the past few years. He had also been a professional bondsman in Madison, and was at one time active in Madison county politics.

A native of Lithuania, Mr. Rosch came to the U. S. as a young man, and spent most of his life as a resident of the Venice community. He lived at 138 (rear) Broadway.

He is survived by his wife, Sarah; three sons, Gilbert, a Granite City attorney, and Samuel and Sidney of St. Louis county; two daughters, Mrs. Estelle Bleisch and Mrs. Violet Brown, both of St. Louis county; another brother, Joe, of St. Louis, and 10 grandchildren.

Funeral services were conducted at 11:30 a.m. yesterday at a St. Louis funeral home, with interment in the Chesed Shel Emeth Cemetery there.

Mrs. Leona Svezia, 48, Dies Sunday of Cancer

Mrs. Leona K. Svezia, 48, of 1709 Fifth street, Madison, died about 6:40 a.m. Sunday at St. Elizabeth Hospital where she had been a patient for two months. Mrs. Svezia, whose husband, Stanley, operates Stanley's Grocery in Venice, had been ill with cancer five months.

Mrs. Svezia, a past president of St. Mary's Church school PTA and a member of St. Mary's Catholic Church and the First Catholic Slovak Ladies Union, was a lifelong resident of Madison.

Also surviving are three daughters, Miss Joyce Ann Svezia, 19, Mary Lee, 15, and Debra Elizabeth Svezia, 7, all at home; her parents, Charles and Catherine Seka of Madison; three brothers, Stephen Seka of Madison, Carl of Collinsville and William of Pompano Beach, Fla.; and two sisters, Mrs. Peter (Anne) Bruno of Belleville and Mrs. Charles (Catherine) Creamer of Granite City.

Funeral arrangements are given in today's obituary column.

Missing Link In Crimes Captured

Stole Gun, Helped Robber Who Later Killed Truck Driver

The "missing link" in a burglary-robbery-murder investigation was arrested in Eagle Park Acres at midnight Saturday by sheriff's deputies and admitted the theft and holdup to Madison police yesterday.

The confession by Kascell Jennings, 18, of 105 Hill street, to the theft and holdup completed an intensive probe of the March 15-16-20 crimes. In other weekend reports in the Quad-Cities, theft of 30 vehicle tires was reported, a stolen auto was found and a jar of pennies was taken.

Police charge that Jennings helped Robert Lee Moody, 19, of 405 Mary street, Eagle Park Acres, in burglarizing the Lamp Post Drive-In restaurant on Route 67a south of Madison. Loot included a .38-caliber revolver used five days later in the robbery and death of Donald W. Gozia, Mitchell truck driver.

Jennings also is charged with aiding Arnold Pratt, 27, unemployed Venice laborer, in robbing Harold Maxey, Freeburg truck driver, in between the burglary and shooting. Jennings then left this area.

Pratt has admitted the Gozia killing, during which he was alone, and the $84 Maxey robbery, in which Pratt and Jennings held the revolver and a sawed-off rifle-shotgun. Maxey was not harmed. Both crimes occurred at Eagle Park Acres.

Sought For Two Weeks

Jennings had been sought since issuance of warrants March 22. In addition to giving signed statements Sunday, he re-enacted the burglary at the scene and related details of the holdup in Maxey's presence.

He is being transferred today from the Madison police station to the county jail in Edwardsville. He already is under indictment for participating in the two cases.

The revolver previously had been recovered, and the "over-and-under" weapon also used in robbing Maxey was found in Eagle Park Acres last week, police said.

Pratt and Moody currently are being held at the county jail for failure to post bond after their indictments.

30 Tires Stolen

The Madison county sheriff's office is investigating the theft of 30 tires valued at $500 to $600 from thhe Wallace Tire shop, 2540 Missouri avenue. Burglars entered the establishment Thursday night or Friday morning by smashing a rear door.

NEARLY 200 ELECTION JUDGES gathered yesterday afternoon in the auditorium of the Granite City public library, where County Clerk Miss Eulalia Hotz (standing) explained procedures for tomorrow's primary election. Similar classes were conducted in other areas of the county.

4 Multiple Injury Accidents In 16 Reported In Area

Thirteen persons were injured in five of 16 accidents on area streets and highways over the weekend, according to reports from local police. In four of the five injury accidents two persons were hurt.

Four local teenagers and a man were injured about 11 p.m. Saturday in a two-car crash on Rock road outside the city limits in which the teenagers' car was knocked about 150 feet into a field, county authorities said.

Hospitalized here with cuts to his face and scalp was Alfred Stamps, 30, of Rock road, Rural Route One, driver of one of the cars; while treated for abrasions, bruises and cuts and released were Kenneth Fowler, 17, of 2131 Illinois avenue, driver of the other car, and three of his passengers, Silver Pigg jr., 16, of 2440 Ohio avenue; Ronald Perigan, 15, of 2449 Illinois avenue, and Glenn DeGeare, 16, of 2121 Nevada avenue.

County night riders said both cars were traveling south on Rock road about a mile west of the city limits where Stamps' auto crashed into the rear of the Fowler car. Three other passengers in Fowler's car escaped injury, the deputies said.

Madison Grade School Band Wins 1st Place

The Madison grade school band took first place honors Saturday in the state grade school band contest at Mattoon.

Most of the 70 children traveled by chartered bus. Band Director William F. Ledbetter was in charge. About 25 parents also attended.

The band qualified for the competition three weeks ago in the district judging held at Madison.

At Mattoon the band was in competition with 10 other Class "B" bands.

Preparing For Tomorrow

200 Election Judges Attend Special Class Here Sunday

Nearly 200 election judges crowded the auditorium of the Granite City public library yesterday afternoon to attend a class conducted by County Clerk Miss Eulalia Hotz and her staff to outline procedures for tomorrow's primary election.

Miss Hotz said a large turnout is anticipated tomorrow from among the 124,699 voters registered in the county's 170 precincts, and the purpose of the classes conducted throughout the county was to facilitate the work of poll judges.

Aided by deputy clerks Misses Evelyn Bowles and Dorothy Fink, Miss Hotz pointed out each voter will receive two ballots. One will be his choice of Democratic or Repubican parties, and the other is a nonpartisan ballot with two candidates for the county board of school trustees. Seeking the offices are Elmer Ruehrup of Alhambra and Karl L. Monroe of Collinsville.

In urging all voters to take pink registration cards with them to the polls tomorrow, Miss Hotz said a qualified voter is one who has lived in the state one year, in the county 90 days and in the precinct 30 days. He must be 21 years old or older and be registered as a voter, she said.

All election supplies were delivered to judges in the past 10 days, and Miss Hotz said use of American flags outside polling places is optional, since a flag is printed on the polling place placard. She said that by the deadline at noon Saturday, 239 absentee ballots had been cast.

Home Projects Top Building Permits; $13,550 Total

Home improvement projects led all other categories last week in building permits issued by City Building Inspector Earl Bloomquist. Of the $13,550 permit total, $5800 was for home improvements.

Garage and carport construction were next in line, with permits totaling $3250. Other permits were for installation of a trailer, tuckpointing a warehouse and office building and erection of an advertising sign.

Eileen Trittschuh received a permit for remodeling a residence at 2501 Sheridan avenue at a cost of $2000; Burl Siebert a permit for a $1500 addition at 2768 Washington avenue, and James Patton a permit for a $1200 addition at 2807 Denver street.

Raymond McLean purchased a permit for rebuilding a porch at 2848 Madison avenue at a cost of $800, and Stanley Hecht received a permit for a $300 patio at 2807 Sunset drive.

The trailer installation permit was to Luther Dowdy, at 2818 West 22nd street. Cost of the project was listed at $1500.

Garages, Carports

Two permits were issued for erection of garages, and two for carports. Edward Sibthorp, 2153 Lynch avenue, received a permit for a $1200 garage, and Stanley Barlyske for a $600 garage at 2645 East 27th street.

The carport permits went to Jack Wofford, 2100 Ohio avenue, $1200, and to J. E. Johnson, 2220 East 20th street, $250.

The Berdine Realty Co., Madison, was issued a permit for tuckpointing a warehouse and office building at Nineteenth street and the railroad tracks, with the cost set at $1000.

The sign erection permit to the Granite City Trust & Savings bank, 1920 Delmar avenue. The $2000 project calls for a 90-square-foot plastic sign.

K of C Spelling Bee Set For Next Sunday

The annual Tri-Cities Council Knights of Columbus spelling bee will be held at 1 p.m. Sunday at the K of C hall, 21st street and Edison avenue.

Five Quad-City parochial schools will participate. They are St. Mark's of Venice, St. Mary's of Madison, and St. Joseph's, Sacred Heart and St. Elizabeth's of Granite City.

Two representatives from each school will compete. The winner and runner-up will go to Wood River April 27 to participate in the district championship bee.

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday: Kenneth Brawley, 2032 Lindell blvd.; Lynette Pence, 2914 Myrtle avenue; Lynda Lemons, 2237 Monroe street; McElroy Hooks, Box 144 Central avenue.

State, County Primary Voting Here Tuesday

New Procedure For Compiling Results

The Press-Record's compilation of election returns tomorrow will be conducted in a new way, with the major activity occurring at the county clerk's office in Edwardsville. Part of the staff also will be on duty from 9 p.m. to about 1 a.m. at the Press-Record office, TR 6-2000, to report trends to the public.

Newspapers throughout Madison county are omitting precinct visits—a tradition of long standing—as a result of plans for cooperation by precincts judges in assembling a chart of the returns at the county seat.

In the past, sealed ballot bags often were turned in to officials with no separate listing of the results; newsmen were able to prepare the chart by contacting poll judges after they finished counting but before they went to Edwardsville.

As mentioned, residents may call this newspaper after 9 p.m. Tuesday to learn the results or trends. Full election information will be available at the Press-Record office beginning Wednesday morning. Results and related articles will be published in Thursday's edition.

Offices Range From Precinct To Senate; 40,000 May Take Part

Quad-City and Madison county voters may go to the polls in record numbers tomorrow to nominate candidates for the U. S. senate, three state offices, seven district posts and seven county offices.

Eight district party positions will be filled, and each party will elect a committeeman in each of 50 Quad-City and 170 county precincts. Polls will be open from 6 a.m. to 6 p.m.

With 37,783 voters — 29,033 Democrats and 8750 Republicans — going to the polls two years ago, the first 40,000 primary turnout is possible. However, the party totals may differ considerably, with many former GOP voters marking Democratic ballots due to the lack of Republican candidates.

Newly-announced figures show 36,121 registered voters in this area, including 22,184 in Granite City, 8878 in Venice township and 5059 in Nameoki township. The probable vote is estimated at 15,000 to 20,000, and the latter would be a new record.

GOP Write-Ins

In general, Democratic contests are limited to the district and county level, with Republican races at the state and district levels. There are no GOP ballot candidates for six of seven county offices, but write-in campaigns are planned.

A Democratic contest drawing interest is that between Probate Judge Patrick S. O'Neill, Alton, and Rep. Paul Simon, Troy, seeking the Madison-Greene-Jersey counties senate seat held by James O. Monroe sr., Collinsville publisher, who is retiring.

With Simon attempting to advance from the lower to the upper chamber at Springfield, Rep. Lloyd "Curly" Harris, Granite City, is the only incumbent in a group of nine seeking two Democratic nominations. The third incumbent, Rep. Ralph T. Smith, Alton attorney, is the only one to file for either of two Republican nominations.

Other Democratic state representative candidates are Assistant Supervisor Robert M. Miller, and former Rep. Leland J. Kennedy, both of Alton, and both operating engineers; Granite City Alderman Casmer Skubish, a steelworker; James E. Walker, Nameoki township; John E. McConnell jr. of Alton, oil refinery inspector, and a former assessor and supervisor; William D. "Bill" Johnson, East Alton insurance agent; Guy McDowell Lahr jr. of Mitchell, a teacher; and Sam Paul Drenovac of Granite City, Rural Route One, Chouteau township.

Venice Clean-Up Drive Started By Street Department

Street Supt. Fred W. Griffin reported to Venice city council members Friday night on his department's participation in a city-wide "Clean-up, Paint-up, Fix-up" program during April. Crews have completed cleaning of streets and alleys in North Venice and will be working this week in other sections.

Four city trucks, each with a three-man crew, are being used in the project, Griffin said. He commented that much of the clean-up work will be in vain unless residents are more careful with their trash and rubbish disposal.

"If they will just burn their trash in a barrel and see that it doesn't blow all over the street or alley, it will be a big help," he said.

To Contact Violators

Mayor John E. Lee said violators of the city's sanitary ordinances will be contacted. "We need their cooperation to make a success of any kind of clean-up drive," he said.

Police Chief Frank DeWitt reported 72 arrests during March. Of these, 38 paid fines and costs totaling $665, while five others had fines stayed but paid costs totaling $25.

Three building permits were approved by the council. Joe

Auto Abandoned After Hitting 2 Cars On Lot

Police are seeking the owner of a car without license plates that was abandoned on Young & Fuller Used Car lot, 15th and State streets, after it had struck and damaged two autos on the lot.

The discovery was made last night by Edward Young, 3145 Fehling road, who told police the front ends of 1954 and 1958 model cars had been damaged. Police are attempting to trace the ownership through the serial number of the abandoned car.

Polling Place List, Map On Page 21

A map of Granite City's new precinct arrangement and a list of polling places in all 50 precincts in the Quad-Cities area townships appear on page 21 of today's issue.

In reducing the size of several of Granite City's larger precincts, the county board of supervisors last summer created three new precincts in the Nameoki area and one in West Granite. Granite City now has 32 county precincts.

41 Republicans, 80 Democrats

Precinct Committeeman Election Tomorrow

Only 41 Republicans are seeking election as party committeemen in 50 local township precincts where 80 Democrats are running for the 50 posts. Fewer of the Republicans have oppositions in their precincts, and in many precincts there are no Republican candidates at all.

In 14 Granite City township's 32 precincts the Democratic candidates are running unopposed on tomorrow's election. In 15 precincts two are seeking office and in three precincts there are three contestants.

Those running unopposed are Frank Fuzessery, 1430 Madison avenue, Precinct 1; Joseph Cuvar, 2416 East 20th street, Precinct 3; John M. Winklmeier, 2114 Washington avenue, precinct 4; William M. Jenkins, 2158 State street, Precinct 5; Arthur Wiezer, 2015 Delmar avenue, Precinct 6; Clyde W. Boyd, 2231 Benton, Precinct 7; Steve Basarich, 1720 Poplar street, Precinct 10; Bernard J. Car Knocks Down 11 Mail Boxes, Pole

Eleven mail boxes were knocked down and a utility pole broken off along Lake drive at Pontoon Beach about 3 a.m. Sunday by a motorist who said he lost control of his car.

County authorities identified the driver as Lester E. Johnson, 21, of 2826 West 20th street, and said he escaped injury.

Fire Destroys Garage, Two Autos In Madison

An investigation is being made by the Madison fire department to determine the cause of a $4150 fire occurring at 9:15 p.m. Thursday in a garage at the rear of 1730 Fourth street.

The blaze, which destroyed two autos and gutted the frame, shingle-covered garage, is believed to have originated inside the building. It had already swept through the garage when discovered.

Owned by Joseph Scrum, the garage sustained $750 damage, firemen estimated. He had rented it to Eleanor Amend, whose 1961 auto was valued at $2400, and Frank Mateyka, whose 1960 car was valued at about $1000.

Vital Statistics Quarterly Report Shows 294 Births

Quad-City area vital statistics for the first quarter of the year show a drop in births, but increase in deaths and stillbirths, according to a compilation by City Clerk A. L. Stevens.

With 102 births recorded during March, the total for the first quarter of 1962 is 294 new babies, compared to 337 during the similar three-month period in 1961. Two stillbirths and 38 deaths last month increased the quarterly totals to nine and 106. In the first quarter of 1961, there were five stillbirths and 92 deaths.

The 102 births recorded in March, while topped by the 106 in January, far exceeded the 86 recorded in February.

The area's deathrate showed an increase to 38 in March from 28 in February. In January, 40 deaths were recorded.

The 102 births recorded last month also are more than the 96 reported for March 1961.

Madison Chief Opposes Use of 'Smear' Tactics

An attack on him late last week by Alton Assistant Police Chief Harold Roberts was described by Madison Police Chief Barney Fraundorf yesterday at a "last-minute smear campaign" employing tactics that he will not use. Both are candidates for sheriff in tomorrow's Democratic primary.

"On Jan. 15 I filed petitions," Fraundorf related, "Shortly before this date, I met with another prospective candidate and we talked for a while about the office of sheriff. We also stated to each other that since we had been police officers for over 20 years, we would respect each other, would only talk about the issues at hand during the campaign, and would not do any mud-slinging at each other.

"During the past two months I have been campaigning throughout Madison county, and I have always conducted myself in a dignified manner, talking about the issues at hand, my experience of 24 years as a police officer, my training, my qualifications and my pledges of being a full-time working sheriff.

"As the time is drawing near for the primary election, I still am conducting my campaign in a clean manner, and will always continue to do so.

"My opponents have resorted to personal attacks and mud-slinging to try to prevent their defeat at the polls, making this attack upon me as a last-minute, last-ditch smear campaign.

"I am sure that the voters will recognize that this last-minute smear campaign is a thick, and will deal with it as such. Any mud-slinging done by anyone hurts only the Democratic party."

Latin Week At GCHS, Banquet Tuesday Night

Granite City high school second-year Latin students, members of the junior Classical League, a national organization of 80,000 members, will observe Latin Week this week. A highlight will be a pot luck dinner to rall Latin students at GCHS tomorro wevening, and a variety of entertainment is planned for the event.

In commemorating founding of the ancient Roman empire, the students also will conduct a mock "slave auction" this week.

J. Claude Cochrane Elected Director

Consolidated American Life Insurance Co. of Illinois has announced two new memberships to its board of directors. J. Claude Cochrane of the Cochrane Real Estate Agency and John J. Wolf, senior vice-president of Kraft Cheese Co., Chicago, were unanimously elected at the annual stockholders and board meeting last week at Chicago.

V. E. Griffin, founder of the company and chairman of the board said in welcoming the new members that Cochrane was the first director to be chosen from the downstate area of Madison county.

Cochrane has been associated closely with the insurance company's management, serving as chairman of the regional advisory board for 1961-62. He is owner of the local real estate and insurance agency and is president of the Granite City Board of Realtors.

He is a past vice-president of the Illinois real estate board for District 8, president of Cochrane Development Co., president of Halls Organic Compost Co., and a director of Associated Retailers. He also is a member of the Elks and Moose clubs, the Tri-Cities Chamber of Commerce, and is program chairman and an officer of the Noonday Optimist Club. He is a member of the First Presbyterian Church.

He and his wife, Cecilia, are the parents of two daughters, Stephanie, 7, and Alexia, 9. They reside at 2730 State street.

Shaver Hits Trimpe's Endorsements In Area

Russell G. Shaver of Madison, candidate for the Democratic nomination as county superintendent of schools, said over the weekend he is the only candidate for the office endorsed by the Tri-City Trades & Labor Council. Edwin Reiske, president of the Trades Council, told the Press-Record Saturday that while the council had endorsed Shaver, the incumbent, Wilbur R. L. Trimpe, who also is seeking the nomination, was listed as "friendly to labor."

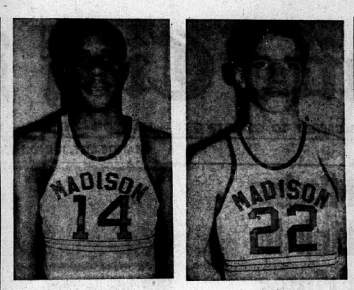

Shaver added that his opponent is receiving publicly the endorsement of political powers in the Quad-City area and other sections of the county.

He said, "For the first time in the history of Madison county, the state superintendent of public instruction, the Madison-Venice mayors, the chairman of the county board of supervisors and the other political cohorts are openly entering the race for county superintendent of schools."

Rev. Wm. Stickney To Be Guest Speaker

CO-YOUTHS OF THE MONTH Donald Freeman (left) and Michael Graville, Madison high school seniors, were guests of the Daybreak Optimists Saturday in Granite City.

Madison High Seniors Hosted By Optimists

Co-youths of the month were guests of the Daybreak Optimist club Saturday morning at the weekly meeting at the YMCA. The boys are basketball stars Michael Graville and Donald Freeman. Both are 17-year-old seniors at Madison high school.

Graville is the son of Mr. and Mrs. Vasil Graville, 1615 Sixth street, Madison. He is a "B" average student and a member of the Honor society. In 1958-59 he was treasurer of the freshman class and in 1958 he was elected to represent the YMCA at at Springfield for the district meeting.

He is also past-president of the Madison Hi-Y club. For three years he was a letterman in baseball, in basketball for two years, football for two years and track for a year.

He plans to attend Northwestern University.

Freeman is the son of Mr. and Mrs. Raleigh Freeman, 907 Washington street, Madison. He is a "B" average student and an Eagle Scout. At present he is vice-president of the senior class.

He lettered in football one year and basketball two years.

Lt. Gov. Ken Sweet of Wood River also was a guest.

The Daybreak club and the Wood River club will have a joint meeting April 26 at Wood River. The zone oratorical contest will be held at that time.

The guest speaker was James O'Connell, director of the Easter Seal society for Madison county.

He said the society plans to expand facilities in the Granite City area and open a speech center here, when there are 450 patients who need help.

Contest Winners Feted By Downtown GC Merchants

A group of local women took a chartered-bus trip to St. Louis today as guests of the downtown merchants. They appeared on the Charlotte Peters television program, an audience participation show.

The women were winners of the recent "25 words or less" contest on "Why I Like to Shop in Downtown Granite City."

The program helped promote the first annual fashion show which will be sponsored by the member merchants of the Downtown Granite City Shopping Center Thursday at the Washington Theatre. The show will begin at 7:30 p.m. It is free and open to the public. Children 12 and under must be accompanied by an adult, however. Miss Peters will be narrator of the show in which 50 models will display the latest fashions in men's, women's and childrens' clothing.

The winners of the contest were Mrs. Russell Glore, Mrs. Helen DeRuntz, Mrs. Emma Relleke, Mrs. Oliver Jacobsmeyer, Mrs. Ted Vrenick, Mrs. Paul Morris, Mrs. Kitty Morris, Alam Klaus, Mrs. Frank Toth, Mrs. Arthur Habekost, Mrs. George Bishoff and Mrs. Frank Zamalioni.

Mrs. Dawson Wade, Mrs. Ruth Schuster, Mrs. Carolyn Corrigal, Mrs. Jack Ross, Mrs. Gerald Lux, Mrs. Virginia Craft, Mrs. Sigmund Fredericks, Mrs. Fred Schwartz, Mrs. Robert Loar, Mrs. Harry Wood, Mrs. Richard Hastings, Mrs. B. C. O'Neill, Mrs. John Lentz, Mrs. Leo Roman, Mrs. Ann Burnett and Eva Blattner.

Mary Stanfill, Janet Lentz, Myra Parrish, Gladys Wilson and Nellie Jennings.

C. H. Hoffmeister, Former GC Steel Official, Dies

Charles H. Hofmeister, 85, a former Granite City Steel Co. official, died Saturday at Katonah, N. Y. He was a resident of Overland, Mo., before moving to New York four years ago.

Mr. Hofmeister worked in various capacities at the local steel company, retiring in 1949 after 57 years there.

He is survived by a son, Dr. Harry Hofmeister, Kirkwood, Mo., and a daughter, Mrs. Marian Townsend of New York; a brother, Henry, and a sister, Mrs. Rose Siegelhorst, both of St. Louis.

He was the grandfather of television entertainer Marian Marlowe.

Funeral arrangements are given in the obituary column.

Says Payments Voluntary

Fred Craycraft, Venice, a sheriff candidate in tomorrow's primary election, has asked the Press-Record to report that his $7-a-month political contributions were voluntary. He gave $5 monthly as a member of a 15-man Venice political policy group and $2 for food at monthly sessions of a larger organization, he related, adding, "I was never pressured to give."

Simon Defends Record As Aiding Public, SIU

Rep. Paul Simon, state senate candidate in the Democratic primary election tomorrow, today replied to charges made in a folder distributed Saturday in this area. Apparent contradictions in Simon's record cited in the folder actually are distortions of the truth, Simon charged.

Major points in Simon's reply are that he "has been a leader in the field of education and has supported measures which would provide adequate funds"; "his record of providing adequate funds for our universities is a clear one"; "virtually all" Southern Illinois University faculty members and administrative personnel in this area support him; he has supported methods of raising adequate funds for state aid to schools and has been endorsed by educational groups; "Simon does not hesitate to resist any pressure group in the interests of the people, even though the people may never know the particular service he has rendered"; he has never refused to answer any question by a newspaper or citizen, in contrast to his opponent; and he has acted whenever individual citizens have 'pointed out genuine needs in Illinois government."

Conceding that his foe has major organization support, Simon denied that the opponent has "official Democratic organization" backing. "There has never been a meeting of the Democratic organization' on the state senate race, Simon asserted.

Ladies Coterie Hears Outline Of Master Plan

Mrs. J. J. Braden, 2500 Delmar avenue, entertained the Ladies Coterie Thursday afternoon in her home.

The hostess served a dessert luncheon and Mrs. Paul Reintges, program chairman, introduced G. W. Hoelscher, chairman of the Citizens' Master Sewer and Drainage committee, who gave an enlightening talk on the committee and explained its work in connection with storm water relief and pollution abatement.

Mrs. Rex Niles, vice-president, presided in the absence of the president, Mrs. Christ Louis, and the group made plans for the annual luncheon of the local federated clubs to be held May 15 at St. Peter United Church of Christ, 21st street and Cleveland blvd.

Announcement also was made of the purchase of a wheel chair with a fund contributed by a deceased member, the late Mrs. R. W. Binney.

The annual election of officers will be held at the next meeting of the group Wednesday, April 18 at First United Presbyterian Church with Mrs. Charles A. Uzzell as hostess. The date was changed due to the Easter Holiday, Maundy Thursday.

Lenten Quiet Hour Observed By St. Peter Guild

"Because He Lives" was the theme of the Lenten quiet hour at a meeting of the Afternoon Guild of St. Peter United Church of Christ, 21st street and Cleveland blvd., Thursday.

Mrs. Loretta Hurry, spiritual life chairman, was in charge of the program held in the sanctuary, assisted by Mrs. Katherine Cornelison, Mrs. Virginia McLester and Mrs. Dorothy Buente. Mrs. Florence Hadaller presided at the organ and accompanied a quartet composed of Mrs. Iona Williams, Mrs. Elsie Branding, Mrs. Hulda Davis and Mrs. Mabel Davidson as they sang the Easter hymn "Alone," by Ben H. Price. Mrs. Louise Miller distributed the programs.

Preceding the program, a lengthy business discussion took place in the church fellowship hall presided over by Mrs. Lillian Baumeyer. Mrs. Margaret Branding, Quad-City Council of Church Women representative, announced the annual May Fellowship luncheon to be held at St. John United Church of Christ at 12:30 p.m. May 4. Also announced was the fellowship dinner at the church May 6 at 5:30 p.m.

Mrs. Kathleen Baumann, discussed the social action tour to be held May 16 at Eden United Church of Christ in Edwardsville, the list of places to be visited and the time to be announced at a later date. St. Peter Guild will be guests of the Afternoon Guild of St. John Church on May 17, and Mrs. Johanna Lampe, Christian service chairman, announced the collection of 28 blankets on "blanket" Sunday March 4. A gift shower for needed items for the Children's Home in Hoyleton will be held at the May meeting of the Guild, and the group is making plans to serve a luncheon for the federated club women May 15.

Handicapped Bowlers To Appear For Cancer Drive

A team of physically handicapped bowlers—with afflictions ranging from the defects of polio to total blindness—will perform in a special match for the benefit of the local Cancer Crusade at 2 p.m. Thursday at the Bowland Lanes, 5050 Nameoki road.

Sponsored by a St. Louis area furrier, the team will compete against a team composed of Mayor Leonard Davis, Police Magistrate Andrew Gasparovic jr., Ray Willaredt, chief of police; Sam Lucido, president of the Val-U Stamp Co., and Venice Mayor John E. Lee or his representative.

The bowling exhibition, which is free to the public, will follow a spring benefit luncheon and style show sponsored by the Compagnon de Jour for the American Cancer Society.

The luncheon and style show is scheduled for 11 a.m. to 2 p.m. at Bowland. Admission is a $1.25 donation, with proceeds to go to the cancer fund.

The handicapped bowling team was formed five years ago by the furrier because of an interest in multiple sclerosis. Their manager says they do not seek sympathy, but bowl to be of service to others.

Trojans Win At Roxana In Tennis Debut

Madison high school's greenhorn" tennis squad, playing the first interscholastic tennis in the school's history, surprised Roxana's Shells Thursday afternoon in Roxana with a 3-2 upset victory.

Bob Barnhart's squad assured itself of a season-opening victory by sweeping all three singles matches. Both MHS doubles combinations were beaten.

Don Broyles went three sets to defeat Roxana's Sam Fleming, 4-6, 6-4, and 7-5 in the day's best match in No. 1 singles.

John Summers followed up with a 6-3, 2-6, 6-3 No. 2 singles win over the Shell's Don Learny; and John Okai gave MHS a 3-0 lead with straight set victories over Steven Smith, 6-3, 6-4.

In the No. 1 doubles, Larry Clark and John Grebenilen of Roxana defeated Ralph Rideout and Larry Lux of Madison, 8-6, 3-6 ,6-4. Roxana's No. 2 doubles combination of John Nesbit and Ken Pearson defeated Mike Moss and Jim Harrison 6-3, 6-4.

Madison did not fare so well in four freshman singles matches. Frank Broyles was the only MHS winner, defeating Bill Slaten 6-2, 6-0.

Ronnie Davis lost to Lanny Rhodes 6-1, 6-0; Bruce Henderson was beaten 6-0, 6-0 by David Mallory; and Casmir Krakowiecki dropped straight 6-1 sets to Paul Cruse.

Barnhart said he plans to schedule Wednesday's home opener with Collinsville a bit earlier than usual, probably at 3 p.m., since MHS has only two courts and darkness could be a factor in long matches.

Prather Pitching Shines In 5-0 Win Over Cahokia

Prather junior high school got shutout pitching efforts from three hurlers Friday afternoon as the Chiefs opened their spring baseball schedule with a 5-0 victory over Cahokia JHS on the losers' diamond.

Carl Haug, Gary Sturdivant and Tom Stitch, working in that order, limited Cahokia to two singles. The Chiefs jumped off to a 2-0 lead in the first inning, and then scored the clinchers in the fourth, with Jim Rains' two-run triple being the big blow. Prather collected six hits, including doubles by Haug and Fred Hoffman.

The Chiefs play at home Wednesday at 4 p.m. against Collinsville's freshman club.

Baton Fumble Costs Madison In Loss To Waterloo

Madison high school track Coach Glen Pickering probably will be working with members of his relay squad this week on baton exchanges.

The Trojans fumbled the important piece of wood twice in the final and deciding event of a dual meet at home with Waterloo Friday afternoon, and as a result lost the mile relay and the meet to the Bulldogs 62½-55½.

Madison's first meet of the season was highlighted by triple wins on the part of dash man Walt Cooper, who was first in the 100, 220 and broad jump and ran the anchor leg on Madison's victorious 880-yard relay foursome.

Louer Triple Winner

Wally Louer of Waterloo duplicated Cooper's efforts with firsts in the discus, low hurdles and pole vault. The two teams divided the number of first places in events right down the middle—each scored seven.

Madison's freshman relay team won that event, but the points were not counted in the varsity totals.

George Russell in the half mile, Wesley Griggs in the high jump and Richard Graville in the shot accounted for the remainder of the first places gathered by the Trojans, who are entered in the Dupo triangular meet Wednesday afternoon with the host school and Highland.

The results:

Roxana High 'Mudders' Stop Madison Thursday, 8-3

Playing on a gooey, grassless diamond in Roxana Thursday afternoon, Madison's Trojans dropped their second straight baseball decision of the year to the Shells, 8-3.

Dan Trotts, the mainstay of the Madison pitching staff last spring, was touched for all eight Shell runs in the first three innings. The field used for the game was minus a pitching mound, and Coach Earl McClanahan said its absence affected Trotts' effectiveness.

Trotts was relieved in the third inning by Mike Dillon, who pitched shutout ball the rest of the way. Madison cut into an 8-0 Shell lead with three runs in the fourth, but starter and winner Bud Marmino found the Trojans easy otherwise. He walked only one, gave up six hits and got perfect support in the field.

Bob Ray's triple in the first inning helped get the Shells off to a 3-0 lead. They added a single marker in the second, and four more in the third on two hits, two walks and a Madison error.

A junior varsity game scheduled Thursday between the two schools was canceled.

Madison has two chances to score its first Midwestern conference win this week. The Trojans are in Bethalto this afternoon and will travel to Cahokia Thursday evening.

Report Boys With Gun

Police were called to the Kirkpatrick Homes area Thursday night by a complaintant who said two boys with a gun had been there. Investigating officers were unable to locate the boys.

Country Day Blanks GCHS Tennis Team

Country Day school of St. Louis county provided Granite City high school tennis players with a tough opener Friday as Codasco swept all five matches for a 5-0 victory.

"We didn't play bad tennis and I wasn't disappointed despite the score," remarked GCHS Coach Dick Harmon about the season-opening loss. "I'd rather see the boys have a tough one and get rid of any cockiness before we begin playing our conference matches."

The Warriors have two conference dates coming up soon. This afternoon they will open the SWC season in Belleville, and Wednesday afternoon they are scheduled to take on Edwardsville at home on the Wilson park courts. The Maroons and Oilers are expected to be the two toughest clubs in the loop this year. Edwarsville edged Belleville 3-2 last week.

Friday's match results:

No. 1 singles—Sonny Charles (CD) defeated Mike Barnes, 6-2, 6-0; No. 2 singles—Bill Horowitz (CD) defeated Bill Logan, 6-1, 3-6, 7-5; No. 3 singles — Andy Barada (CD) defeated Tom Moore, 6-1, 6-3.

Tigers Score 13 Firsts In 99-19 Victory Over GCHS

Edwardsville high school's track and field squad captured firsts in 13 of 14 events here Friday afternoon in scoring a 99-19 dual meet win over Granite City.

The Warriors' junior division squad won its second straight, defeating Edwardsville 65-44 in a simultaneous meet.

Terry Titsworth averted a first-place shutout for GCHS when he won the shot put with a heave of 48-1, a two-foot improvement over his winning distance against Roxana last week.

The Tigers' Everett Polk was the meet's only triple winner, taking firsts in the 100 and 220-yard dashes and the broad jump. The area's most promising distance man, George Burnham, ran away from the field in the 880 and mile, winning them both easily. Dick MacDonald of Edwardsville won both the hurdle events.

Bob Pyle finished an eyelash behind Polk in the 220, and was third in the 100. Larry Whitsell took third in the 440, Larry Tolbert third in the mile and Titsworth second in the discus. Blind and Nighohossian were 2-3 for GCHS in the high hurdles.

Juniors Win Seven Events

In the junior division, GCHS captured seven first places in 13 events, but swept the mile and showed depth in almost every event.

The varsity results:

100—Polk (E), 10.9; 220—Polk (E), 24.6; 440—Malone (E), 54.3; 880—Burnham (E), 2:08.5; mile—Burnham (E), 4:52.3; 880 relay—Edwardsville (West, Speckman, Townsend, Polk), 1:38.1; mile relay—Edwardsville (Nordruft, Small, Malone, Speckman), 3:39.8.

120 high hurdles—MacDonald (E), 18.0; 180 low hurdles — MacDonald (E), 22.3; shot put—Titsworth (GC), 48-1; discus — Haskins (E), 137-8½; pole vault —Nelson (E), 11-0; broad jump —Polk (E) 17-6¾; high jump—Schwartzkopf (E), 5-2.

The junior division winners:

100—Brooks (E), 11.2; 220—Joe Nemeth (GC), 25.4; 440 — Glen Bowman (GC), 56.2; 880—McCann (E), 2:14.0; mile—Gene Sterngerg (GC), 5:05.5; 880 relay — Edwardsville (Blind, Brooks, Small and Killiam), 1:42-.2; mile relay — Granite City (Bowman, Lassiter, Pascoe and Robertson), 3:55.9.

120 low hurdles (10 hurdles) —Michel (E), 16.1; 120 low hurdles (5 hurdles) — Gary Thornsberry (GS), 14.8; shot put — Johnson (E), 40-4; discus — Ron Selph (GC), 112-7; broad jump —Blind (E), 17-0¼; high jump —Elton Hall (GC), 4-8.

Granite City, now 0-2 for the season and 0-1 in the Southwestern conference, will travel to Wood River tomorrow afternoon and play host to Cahokia on Thursday.

Warrior Bobbles Costly In 13-8 Diamond Loss To Alton Saturday

"We couldn't blame this one on a bumpy infield or high grass in the outfield," said Coach Joe Fedora after his Granite City Warriors had committed nine errors in dropping a 13-8 Southwestern conference baseball game in Alton Saturday afternoon. The game originally had been scheduled for last Thursday.

The Warriors, now 2-1 overall and 1-1 in the SWC, outhit the Redbirds 11-6, but the nine miscues combined with 11 free passes given by three Granite City hurlers was too much of a handicap for the Redmen's bats to overcome.

One bright spot was the stick work of leftfielder Terry French, who had a pair of triples and a double to drive in four runs.

Despite the bad day afield, Ganite City held onto an 8-8 tie in the sixth inning before Alton scored five runs on only one hit in the home half of the frame.

Jones Wins In Relief

The outburst—all the runs were unearned — gave relief pitcher Tom Jones the win. Charles Papp, the second of three Granite City pitchers, was the loser.

Larry Corey started and worked two innings. The Warriors led 4-3 when he departed, thanks to a sustained four-run second frame.

But the Redbirds scored four runs on two hits in the third to grab a 7-4 advantage. GCHS made it 7-6 with two runs in the fourth, and then Alton scored once in the fifth to open up a two-run edge.

The Warriors finally tied it with two runs on two hits in the sixth, but the uphill struggle was wasted as Alton parlayed three walks, one hit and a couple of GCHS bobbles into that five-run finisher.

Vic Buehler, GCHS catcher, was injured when he was struck on the finger of his throwing hand by a batted ball. X-rays will be taken to determine if he suffered a fracture. Meanwhile, Bill Niepert is expected to step in and handle the reeciving chores.

HALF-MILER GEORGE RUSSELL, who was clocked at 2:04 his sophomore year, ran the 880 some eight seconds slower Friday afternoon, but is shown winning easily in dual track meet between Madison and Waterloo at Madison. Bubblemasters See Films On River, Treasure Diving

Underwater recovery techniques in rivers were discussed by a professional "hard hat" diver, Jack Ross, during yesterday's monthly meeting of the Bubblemasters Diving club, which met at the YMCA.

Ross showed films on the subject and also some footage taken during treasure hunting dives in the Cayman Islands, south of Cuba. Twenty-three members of the adult diving club were present.

Plans were completed for a club weekend dive April 20-22 at Bull Shoals Lake near Potosi, Mo. The Bubblemasters will continue an indoor winter training session Thursday at 9 p.m. at the YMCA pool.

Senior lifesaving practice is scheduled at 3 p.m. Sunday at the YMCA pool for members of the club's underwater recovery team, which is affiliated with the Granite City civil defense organization. The next regular club meeting will be May 13 at the YMCA.

Codasco Freshmen Blank Coolidge

Country Day School freshmen took straight set victories in all matches in St. Louis county Friday as they scored a 5-0 tennis team victory over Coolidge junior high school.

The matches were the first of the season for the Braves, who have scheduled Edwardsville's freshman squad here on Wednesday, April 18. Coolidge will play its home matches on the Granite City high school courts.

The match results: No. 1 singles—Tim Whitehead (CD) beat Rusty Toburen, 6-0, 6-2; No. 2 singles—Jim Goldfarb (CD) beat Drew Karandjeff, 6-0, 6-1; No. 3 singles—Bob Goldfarb (CD) beat Jerry Walters, 6-2, 6-0.

30 Awards Presented At Bowling Banquet

Over 30 awards, ranging from first-place trophies to "crying towels," were presented to participants in the Granite City park district's girls' bowling league and the annual mother-daughter bowling tournament during a Saturday night banquet at the park community center.

Winners of the four league first-place trophies were Maryland Mart, First Granite City National Bank, Christmas department of the Granite City Trust & Savings Bank and Frank's Card Shop.

Individual league awards included pins presented to Linda Gauen, who rolled the high series and single game during the season, and Ann Rutledge and Sharon Koch, who tied for top spot in season average.

Tournament awards included a trophy to the high-scoring mother - daughter combination, Brenda and Grace Broyles; highest scorers among bowling daughters, a tie between Linda Gauen and Linda Deidiker; high game total by Brenda Dawes; and high combination total by Joyce Short.

Award presentations were by members of the park board, and a guest speaker was Mrs. Carolyn Smith, health coordinator at Eastern Illinois University.

55 Teams Will Play In Park District's Baseball Program

A total of 55 teams in five age divisions will participate in the 1962 season of the Granite City park district baseball program, it was announced following a final registration meeting Friday night at the park community center.

Broken down into age groups, the program will include 10 Atom division teams, 19 Bantams, 14 Midgets, eight Juvenile and four in a newly-formed Junior division.

The registration represents an increase of three teams over last season. The leagues will formally open the season Saturday afternoon, May 19, following a traditional opening day parade out Madison avenue to the diamond locations in Wilson Park.

Recreation Director Harold Brown said managers must pay all team entry fees by April 28 and submit final player contracts by May 12. Each team may carry 15 players and three coaches.

Kewanee Wins State Jaycee Pin Crown

A Team representing the Kewanee, Ill., Jaycees walked off with the top prize in the state Jaycee bowling tournament, held yesterday at Big Top Bowl under sponsorship of the Granite City Jaycees.

The Kawanee five rolled 3223, with handicap, to win the four-foot-tall first-place award. Each member of the team received a bowling ball, bag and shoes as additional prizes. Twenty-four other trophies were presented to individuals and teams.

There were 92 teams entered, and over 1000 Jaycees and their wives attended. The first-place team trophy was presented by Jim York of Morton, Ill., state Jaycee president.

In an exhibition match sandwiched among the team competition, professional bowler Tom Hennessy of Granite City set down Jaycee Rol Derry of Galesburg, 666-494. Derry, who averages in the 190s, had an off series while Hennessy was in top form, closing out his three-game series with a 269 single, a game which included 10 straight strikes.

Debaters Fourth In State Speech

Granite City high school debaters, accompanied by Miss Sandra Lierman of the school faculty, took part in state speech finals at the University of Illinois Friday and Saturday, capturing fourth place out of 28 schools by winning six of eight debates.

New Trier won, Highland Park was second and Pekin placed third in debating. Overall team results have not been annonced.

Robert Butler — who joined with Carl Johnson, John Sudich and John Miller on the debate group—reached the final round in after-dinner speaking but did not receive one of the top awards; his exact ranking was not given.

Lincoln Place Nips Optimists, Ties For Soccer League Lead

Lincoln Place nipped the Twilight Optimists 2-1 to move into a tie for first place with the latter club in the YMCA soccer league Saturday at Coolidge junior high school, and St. Thomas More blanked a Juvenile division Lincoln Place squad in an afternoon game, 4-0, to take over undisputed possession of first place in the older age group league.

St. Lou AC and Bricklayers' Local 65 ended the afternoon in a tie for third place after St. Lou had scored a 5-0 win over the bricklayers.

St. Thomas More stands 2-0-1, Lincoln Place is second at 1-1-1, and St. Lou AC and the bricklayers are both 1-2.

A Sunday afternoon Midget division game was postponed due to rain. Both leagues have games scheduled next Saturday and Sunday.

HONEST GOVERNMENT NEEDS YOUR SUPPORT
DICK H. MUDGE, JR.
DEMOCRATIC CANDIDATE for State Central Committeeman
MADISON and ST. CLAIR COUNTIES

Primary Election, Tuesday, April 10th

My objective as Democratic State's Central Committeeman, if elected, will be to encourage healthy American competition in state and county primary elections. I will speak up for this district, oppose domination of the Committee by the Chicago Machine, publicize the activities of the Committee, continue my fight as State's Attorney against organized crime and its political partners, and fight for a program of legislation including the following:

1. Creation of an Illinois Crime Commission to combat organized crime and its influence in government.
2. Repeal of the personal property tax.
3. Elimination of sales tax on food and clothing.
4. THE ELIMINATION OF THE EAST SIDE LEVEE DISTRICT. (The Army Corps of Engineers are quite capable of handling the drainage problem of the Mississippi watershed.
5. Elimination of unnecessary and grossly overpaid political jobs.—like the state colt investigators (two of them) at $7,200.00 salaries, plus expenses.

Dick H Mudge, Jr.
DEMOCRATIC CANDIDATE FOR STATE CENTRAL COMMITTEE

ENDORSED BY LABOR

Paul Simon is the only candidate for the Democratic nomination for State Senator who is endorsed by the Illinois AFL-CIO, the Railroad Brotherhoods, the Steelworkers, labor's Committee on Political Education, and the American Federation of Teachers.

VOTE FOR FRED CRAYCRAFT
Democratic Candidate
FOR SHERIFF

I am the only Candidate seeking the nomination for Sheriff on the Democratic ticket on my previous record having served 8 years under three Democrat Sheriffs.

I have served as a member of The Board of Education of Venice and was President of the Board for six years. I am the third Past President of the Madison Couunty Fireman Association and also a member of the Yardmasters of America— Local #90.

Mr. And Mrs. Henry Reimers Observe 50th Anniversary

Mr. and Mrs. Henry W. Reimers observed their 50th wedding anniversary Sunday by holding open house for relatives and friends at their home, 3333 Johnson road.

The Reimers were married April 10, 1912, in St. Louis, and have resided in Granite City since that time. They have a daughter, Mrs. Orvin (Isabel) Dieckman, of Springfield, Ill., a son, Henry W. Reimers jr., of Gastonia, N. C., three grandsons and one granddaughter.

In keeping with the occasion, gold decorations were used, together with flowers, and golden tapers lighted the dining room and reception table. The guests called from two until five o'clock, and others who could not be present sent cards, messages of congratulation, flowers and other gifts.

Among the out-of-town guests attending were Mr. and Mrs. W. Harold Phinney and daughter, Lucinda, of Westerville, O., Mr. and Mrs. Reimers jr., Mr. and Mrs. Dieckmann and sons, Don and Mark, Mr. and Mrs. B. F. Koenig of Oak Park, Ill., Rev. and Mrs. J. E. Tuschoff of Blue Mound, Ill., Mrs. Helene Chalmers, New Athens, Ill., Mr. and Mrs. L. Church of Lebanon, Ill., Mrs. Orris Brown of Columbus, O., Mrs. Arthur Reimers and Miss Ellen Offenbecher of St. Louis, and friends from East St. Louis, Alton, Collinsville and Belleville.

GOLDEN WEDDING. Mr. and Mrs. Henry W. Reimers, 3333 Johnson road, who celebrated their 50th wedding anniversary Sunday by holding open house for relatives and friends at their home.

BUNCO CLUB HOLDS BIRTHDAY PARTY

The Bunko-Ettes Club met Thursday evening in the home of Mrs. Elizabeth Ashby on Edison avenue and celebrated the birthday of one of the number, Mrs. Juanita Blevins. Gifts and a cake were presented to the honoree.

Awards in the games went to the hostess, Mrs. Leona Delaloye, Mrs. Bea Lanahan, Mrs. Evelyn McCollegan and Mrs. Fay Briggs.

The club will meet again in two weeks with Mrs. Dorothy Barnett.

Deborah Circle Dessert Luncheon

The Deborah Circle of Niedringhaus Memorial Methodist Church met Thursday in Wesley Hall with Mrs. Ethel Lerch as hostess.

A dessert was served to six members and Mrs. Maude Ruckrigel presented the lesson. Plans were made for the group to serve at the general meeting of the Woman's Society of Christian Service Tuesday evening, and for the next monthly meeting a pot luck luncheon, in the home of Mrs. Calvin Compton.

JOINS PHI THETA KAPPA HONORARY SOCIETY

Miss Mary Ellen Yankoff of Desloge, Mo., a granddaughter of Mrs. A. K. Reezoff of this city, and the late Mr. Reezoff, has been selected for membership in Phi Theta Kappa, national junior college honorary scholastic fraternity at Stephens College in Columbia, Mo.

To be selected, a student must rank in the upper seven per cent of the student body, must be carrying at least 12 academic hours, and must have proved herself a constructive and responsible citizen.

Miss Yankoff is a daughter of Mr. and Mrs. Pete Yankoff of Desloge.

Dorcas Circle Hears Review

Mrs. Charlotte Temple gave a brief review of the study book, "Edge of the Edge," at a meeting of the Dorcas Circle of Niedringhaus Memorial Church Thursday in Wesley Hall.

Eleven members and two guests, Mrs. Dunn and Mrs. William Kirchner, were present for the covered dish luncheon at noon and Mrs. Anne Hopkins was a new member enrolled.

Mrs. Woodie Lynn conducted the business session and introduced Mrs. Kirchner, who explained the organization of new churches and how the Nameoki Methodist Church, of which she is a member, came into being. The meeting closed with a circle of prayer by the group.

Mrs. Baskette Is Hostess For Group

St. David's Auxiliary met Thursday evening in the home of Mrs. Nell Baskett, 2014 Grand avenue with ten members present to observe the 49th anniversary of the group which was organized April 5, 1913.

Miss Denise Hagan, president, was in charge, and prizes were won by Mrs. Mauvie Hollis and Miss Hagan. The hostess served refreshments and plans were made for the next meeting April 26 in the home of Mrs. Frances Williams, 2410 Grand avenue.

St. John Guild Plans Banquet, Benefit Drive

Members of the Afternoon Guild of St. John United Church of Christ on Nameoki road attended the April meeting Thursday at the church. Sixty-four were in attendance.

A dessert luncheon preceded the meeting, presided over by Mrs. Alysia Seipel, president, and the opening prayer was by Mrs. Louise Dexheimer.

Two new members, Mrs. Laura Flach and Mrs. Kathryn Knipping, were enrolled and a report was made by Mrs. Mabel Bunselmeyer, chairman of the sick committee.

"I Would Be True" was the hymn selected by the birthday members, and announcement was made by the president of the bi-annual regional meeting to be held in Columbia, Ill. The delegates attending will be Mrs. Seipel and Mrs. Bea Rittenhouse, who heads the evening Guild.

Under discussion were plans for a mother-daughter banquet May 15 at the church, and the luncheon May 17 at which the Guilds from St. Peter Church here, St. John of Collinsville, and St. Paul's of the Bluff road will be entertained. The ladies of the guild will also serve the Home Bureau luncheon May 23.

Mrs. Louise Brinkhoff, representative to the Quad-City Council of Church Women, announced plans for the May Fellowship luncheon of the Council to be held at St. John Church May 4. The Evening Guild will serve the meal and Mrs. Grace Branding and Mrs. Sophie Pufalt are to be hostesses. A drive will be held this month for used clothing, nylon hose and old eye glasses. The Guild also is contributing $300 to the general fund of the church as an Easter gift, and $50 to the camping fund for retarded children. In addition Mrs. Laverne Krauskopf, Christian Education chairman, announced a request by the board for a contribution to the camp fund for children at the Caroline Mission in St. Louis. A free will offering will be taken.

Mrs. Brinkhoff reviewed the new books to be used in the reading course throughout the year, and Mrs. Alice Kalert, social chairman, announced that 32 dozen cancer bandages had been made by the ladies.

After the lengthy business session, the Lenten meditation was given by Mrs. Clotine Corbin and the ladies adjourned to the church sanctuary for the Lenten quiet hour, the theme of which was "Because He Lives."

Taking part were Mrs. Corbin, Mrs. Clara Huber, Mrs. Ethel Holtzscher, and Mrs. Ellen Ehlert. Special music was furnished by Mrs. Karmyn Edmonds, who sang a solo, accompanied at the organ by Mrs. Marie Widdows. Mrs. Dexheimer closed the meeting with the benediction.

Honest Government Needs Honest Support

To all Madison County Democrats:

This is our first opportunity in many many years to elect a resident of Madison County to the non-salaried party office of DEMOCRATIC STATE CENTRAL COMMITTEEMAN for the 24th congressional district (Madison and St. Clair Counties). The East St. Louis City Machine has controlled this office too long. Now there is a contest between the Fields and Touchette factions for control of St. Clair County and the office of State Central Committeeman.

NOW IS THE TIME FOR MADISON COUNTY DEMOCRATS TO LEAD THE PARTY!!!

The Democrats of St. Clair County have lost faith in the Democratic leadership there as a result of the political and financial bankruptcy of their county government. The following editorial evidences this loss of confidence in East St. Louis political leadership.

Reprint of Editorial — April 1, 1962
EAST ST. LOUIS SUNDAY JOURNAL

Mudge for State Central Committeeman

AN IMPORTANT Democratic party office is at stake in the April 10 primary.

Four candidates are seeking election as state central committeeman from St. Clair and Madison Counties.

They are Mayor Alvin G. Fields of East St. Louis, the incumbent; Dick H. Mudge Jr., state's attorney of Madison County; Thomas F. Hennessy, a member of the East Side Levee and Sanitary District Board, and James R. Hilligoss.

For all practical purposes, the race is between Mr. Fields and Mr. Mudge. Mr. Hilligoss is little known. Mr. Hennessy is a young man with a talent for controversy, but he has not shown the leadership qualities which would make him a desirable choice for this office.

The chief issues, then, are the record of Fields and the record and character of Mr. Mudge.

Mr. Fields' record is not impressive. He has been a passive leader. Under his regime, the two-county area has not obtained the recognition in party councils that the size of the Democratic vote would indicate.

The state central committee, for all practical purposes, has been a compliant tool of Chicago Mayor Richard Daley.

We do not think it is useful to emphasize Cook County-Downstate rivalry purely for the sake of controversy. However, it is not in the interest of the state or of the Democratic party to achieve party harmony by always yielding to the weight of Cook County numbers.

Dick H. Mudge Jr.

Mr. Mudge has said that he would bring an independent attitude to the job if elected state central committeeman.

He has no illusions that two counties could offset the influence and power of Cook County. But he does believe that a committeeman has the right to express his opinion and to challenge the decisions of Mayor Daley.

Mudge believes that the committee should be a sounding board for all shades of opinion in the party. Instead of suppressing dissent, it should encourage the expression of varying opinions so that it will be more truly representative of different groups and different sections of the state.

Mr. Mudge's record indicates that he would bring a strong sense of conviction and an independent spirit to the job. He has had an outstanding record as state's attorney. Under his regime, the county has shut down illegal gambling which for many years past has been a corrupting influence on the county's politics.

This takes conviction and it takes a strong sense of duty. Mr. Mudge has shown both.

We have often called for fresh and competent leadership in area politics. Mr. Mudge represents this kind of leadership.

He is not an old-line politician. He would bring a breath of fresh air to the state central committee deliberations.

We strongly recommend the election of Dick H. Mudge Jr. as Democratic state central committeeman for St. Clair and Madison Counties.

I will appreciate any help and support you may give me and as always my obligation will continue to be to the people and the principles of honest government.

Dick H. Mudge Jr.

Spring Fashions Viewed By 800 At Junior High

Approximately 800 attended the second annual spring fashion show of Coolidge Junior high school Thursday evening. "In a Spring Garden" was the theme of the show, held in the gymnasium. Mrs. Hildred Lewis was chairman of the event, only fund-raising project of the school's PTA.

The background scene was the work of Ronald Ward, art instructor, and his ninth grade art classes. A flower and vine-entwined trellis on a small platform formed the entrance for 80 models of the seventh, eighth and ninth grades. Flower-bedecked trees and potted plants were used to decorate stairs leading to the garden runway, which was bordered with greenery and a miniature hedge of colored flowers.

Mrs. Valerie Evenden, commentator, described the ensembles modeled and gave a brief resume of each model's hobbies and clubs. Mrs. Evenden is also the PTA president.

During the intermission, the park district "sing along" was played, and several organ selections were played by Richard Hodshire.

Seventh grade models were Cheryle Byxbe, Cynthia Louis, Janice Cox, Sandy Miller, Linda Sabo, Mary Ellen Weiss, Larry Harris, Don Haynes, Alan Nicol, Peter Sabin and Stanley Rodeli.

Eighth graders modeling were Linda Arbeiter, Nancy Brewer, Donna Bruder, Laura Cordell, Cheryl Cox, Mary Hagler, Linda Heinks, Paula Henderson, Donna Hillen, Margaret Hornberger, Sharon Koch, Janet Line, Christina Louis, Sheila McCabe, Susan Sabin, Deborah Tatum, Mary Margaret Todoroff, Craig Haynes and Ricky Turner.

The formals were modeled by Carol Cuchna, escorted by Jerry Line, Lynn Shephard, escorted by Ricky Whitsell, Christy Heinz, escorted by Jack Farrow, Barbra Louis, escorted by John Evenden, Betty Evans by Sonny Stark, Linda Arbeiter by Ricky Turner, Mary Lynn Jessee by Richard Blumenstock and Linda Froemling by Charles Miserski.

For finale, two sleepy young ladies, Tomye Ann Green and Jonetta Leatherman, carrying large stuffed animals, curled up on the runway and went to sleep.

Ninth graders who modeled were Frances Alessandrelli, Ellen Chapman, Diana Cordell, Mary Church, Caroje Cuchna, Betty Evans, Linda Evans, Susannee Fogle, Linda Foremling, Tomye Green, Judy Hamilton, Pam Handlon, Joan Harris, Carolyn Hensley, Kristy Hinson, Christy Heinz, Diane Henderson, Pat Hodshire, Mary Jessee, Margaret Jones, Linda Jungels, Pat Kawula, Karen Durbin, Judie Kerch, Sharon Kunnemann, Jonetta Leatherman, Mary Lee Lewis, Barbara Louis, Sharon Luebbert, Sharon McIlvoy, Cynthia Markarina, Marla Marmion, Joyce Mason, Ann Meyer, Gerry Meyer, Pat Parsaghian, Marylss Polley, Jennifer Ranft, Lynn Shepard, Linda Stawar, Evelyn Stein, Janice Townsley, Paula Hays, Beverly Long, Richard Blumenstock, Paul Costello, John Evenden, Bernard Helman, Bill Hill, Mike Jenne, Jerry Line, Danny Messey, Charle Miserski, Jim Pomeroy, Sonny Stark, Ricky Whitsell and Joe Wiezer.

Committee members were Mr. and Mrs. Walter Spiceland, Mrs. Evelyn Line, Mr. and Mrs. Richard Polley, David Whitsell, Mrs. June Cuchna, Mrs. Marge Green, Mr. and Mrs. Lewis E. Sabin, Mr. and Mrs. Willis Shepard, Mrs. Olivia Kunnemann, Mr. and Mrs. John Haynes, Mrs. Mary Jessee, Mr. and Mrs. Charles Rodeli, Mrs. Vi Reiske, Mrs. Eileen Heinks, Charles Jungels, Mrs. Lorraine Ranft, Mr. and Mrs. Richard Hodshire, Mrs. Evelyn Arbeiter, Ted Todoroff, George Chapman and Miss Dorothy Hinson.

WCTU Has Easter Lesson, Article By Mrs. Cundiff

The April meeting of the Woman's Christian Temperance Union was held Friday evening at Niedringhaus Memorial Methodist Church with Mrs. William Schooley presiding.

Miss Elva Miller led the flag salute, and Mrs. Glenn Cundiff, who served as devotional leader, gave an Easter lesson and read an article entitled "The Inner Helper," by G. Christian Weiss.

Reports of the officers and chairmen were heard and added to the list of chairmen was Rev. George Sagen who will be chairman of honorary members.

A report of the recent executive meeting at the home of the county president, Mrs. Juanita Harris, in Bethalto, was heard; and announcement was made of a seminar to take place in Wood River April 30 with Bond, Macoupin, Jersey, St. Clair and Madison counties represented.

The Youth Education program was discussed and films were shown by Mrs. Bethel Davis.

Refreshments were served to 15 members by the hostesses, Mrs. Esther Cann and Mrs. Beulah Gage, assisted by Mrs. Owen Willtrout.

The following items were taken from the files of the Granite City Press-Record

MONDAY, APRIL 12, 1937

Randall Robertson won first place in oratorical declamation and Marjorie Smith first in extemporaneous speaking at a district speech meet in Carbondale during the weekend. They will go to Urbana on April 24 to compete in the state meet.

The debating team, consisting of Randall Robertson, James Bandy, Julia Pitchford and Robert Butler, placed third, and in humorous reading Butler also took third place.

Miss Mary Blackburn, Community high school teacher, accompanied the students to Carbondale.

P. R. King, general manager of the Union Starch & Refining Co., announced a wage raise at that plant Saturday, which makes the minimum wage five dollars per day. The new raise, the second this calendar year, is seven cents per hour for all process men.

There are about 280 such men employed, and their wage is now 62½ cents per hour. The day is eight hours. This makes the minimum wage in the Union Starch plant five dollars per day.

Negotiations between Local No. 1021 of the A.A. of I.S. & T.W. and the management of the National Enameling and Stamping Co. of Granite City, which have been under way since March 3 for the purpose of agreeing upon wage scales and working conditions at the local plant, terminated at noon today in a signed agreement between the parties involved, by which approximately 750 employees who are members of the new union will receive wage increases averaging slightly over 14%, and which is retroactive to March 1, 1937.

"Up in the Air," an operetta written by Goeffrey Morgan, will be presented by the Madison high school glee clubs at 8 p.m. Friday evening in the high school gymnasium, under the direction of Miss Mae Waters and George Thomas.

There are four acts to the operetta and the third is especially picturesque with its portrayal of the atmosphere and spirit of the west.

Doris Mae Pope, Harold Harsh, Francis Patchin, Louise Hobbs, Helen Gushleff, Milo Gitchoff, Mary Breummer, Herbert Levy, Krene Kish, Elaine Buchek, Roy Dollins, Leroy Kraynak, Robert Schnitzius, Quillian Brazel, Paul Strain and Theresa Krizak compose the cast.

The boys' and girls' choruses include Dorothy Hilt, Anita Turber, Bessie Cook, Eunice Hatscher, Myrtle Bequette, Margie Dearing, Wanetta Webb, Mary Miofsky, Alpha Keeney, Anastasia Gitcho, Lorranie Fogle, Beryl Smith, Lauretta Hollenbeck, Lela Signaigo, Margaret Tawney, Margaret Wathen, Derald Franklin, Wayne Harsh, Arthur Hinson, Walter Zuk, Roy Hughes, Melvin Brewer, Harry McClure and Elbert Fisk.

Informed Voting By All Tomorrow Is Needed To Maintain A High Caliber Of Government

Elections, key to the caliber of government, spotlight the importance of participation by all eligible citizens. Tomorrow, when primary balloting is conducted, it will be equally essential that all who vote do so on the basis of full information and thorough study of the issues and individuals.

The Press-Record, like everyone else, cannot be certain its choices will prove to be the best; not every office-seeker performs as well as his capabilities might indicate. However, this newspaper has observed most of the candidates at close range, some over a period of many years, and herewith gives its views as a guide that may help readers in reaching their own conclusions.

Some of the candidates not mentioned here also are qualified; even though omitted, they could render satisfactory service in the offices sought.

The Press-Record neither expects nor hopes that its suggestions will be followed blindly. If they add to Quad-Cityans' present fund of preelection knowledge, they will have served the intended purpose. The Press-Record, of course, will continue "calling them as it sees them" after new officials are elected; each must stand on his own record.

Our preferences follow, in the ballot order:

STATE SUPERINTENDENT of public instruction, Democratic — George T. Wilkins, Edwardsville, incumbent. Former Madison school district and then Madison county superintendent, he is the only one on the state tickets with whom local residents have had contact over a long period. He knows this region and its educational problems well, and is in a position to encourage rapid development of the new university here. His record has been progressive and far-sighted. He has no primary opposition.

REPRESENTATIVE IN CONGRESS, Democratic—Melvin Price, East St. Louis, incumbent. His 18 years' service have placed him high in the party hierarchy and brought assignment to the vital atomic energy and armed services committees. His diligent, studious approach to legislation has produced an outstanding record, and he has been alert to the needs of Madison and St. Clair counties. He has been of great help to constituents seeking information or other assistance. He is unopposed in the primary.

STATE CENTRAL COMMITTEEMAN, Democratic—Dick H. Mudge jr., Edwardsville. His performance as state's attorney for the past six years and his high ethical standards justify election to the party committee, where he would provide a voice for this county and district. He favors open primaries so that the best possible candidates can be submitted to voters in the general elections.

STATE SENATOR, Democratic—Paul Simon, Troy publisher. Eight years' experience in the Illinois legislature and personal integrity that is beyond question qualify him for advancement. Though the Press-Record has differed with him and may differ again, his record is statesman-like and his many "best legislator" awards were well deserved. Simon's success in promoting fiscal solvency, individual rights, prisoner rehabilitation and adoption code reform has been noteworthy; he gives first thought to the interests of the average citizen who is unrepresented by lobbyists.

STATE REPRESENTATIVE, Democratic—Lloyd "Curly" Harris, Granite City, incumbent. A "pillar of strength" at Springfield for 26 years and head of the appropriations committee, he ably marshals support for bills aiding this area, such as those on drainage, recreation and port development. It was Harris who offered the amendment to include a $25 million local university in the last state bond issue. It would be extremely unfortunate if Illinois and the Quad-City area, in particular, were deprived of his services due to the unique voting pattern, in which each person casts three votes. This possibility, heightened by the fact there are nine candidates, can be avoided by concentrating on Harris, marking only for him for the office. Republican—Ralph T. Smith, incumbent. In his eight years as a state representative, he has been responsive to the needs of this area, including support of Southern Illinois University and Horseshoe Lake park legislation. An attorney for 21 years, he brings intelligence and ability to the office and is a member of major House committees. He is unopposed on the Republican ballot.

COUNTY JUDGE, Democratic — Michael Kinney, Alton, incumbent. Thoroughly familiar with the duties from his service during the past 14 years, he has demonstrated interest and cooperation in remedying various county governmental problems.

COUNTY CLERK, Democratic—Miss Eulalia Hotz, Edwardsville, incumbent. Known for efficient conduct of the office for the past two decades, she earlier spent another decade there as deputy clerk. Records have been maintained in a competent manner, and she has dedicated her life to the public service. She is unopposed, and Republicans have no candidate other than possible write-ins.

PROBATE JUDGE, Democratic — Austin Lewis, Madison. His varied 32 years' law experience qualifies him for the post; he has exhibited civic awareness with service as a Tri-Cities Regional Port District commissioner, scout leader and boys' baseball director. Formerly state's attorney, Venice school board head and Tri-City Bar Association president, he is county public defender and an authority on municipal and trial law. His past political involvements should not rule out the prospect of capable judicial service.

PROBATE CLERK, Democratic—Dale Hilt, Madison, incumbent. His 12 years as clerk and his efficient performance of the duties provide ample reasons why he should be re-elected. No one else filed for the post in either party.

COUNTY TREASURER, Democratic — George Musso, Edwardsville. A former state parole agent, he has been a member of the county courthouse staff in different capacities for 18 years. As sheriff, he increased the number of deputies and carried out successful vice and gambling raids in nearby areas. He is unopposed, and there is no candidate on the Republican ballot.

SHERIFF, Democratic — Barney Fraundorf, Madison; a city, state and military policeman for 24 years and chief since 1942. His record prior to the past decade or so was unsatisfactory and vulnerable, as Press-Record files show, but since then he has developed police skills and knowledge which, combined with tireless effort have earned for him grand jury commendations and wide recognition. This proven ability and his familiarity with the unincorporated area should make him a capable sheriff. Republican — Lester M. Vierling, Venice. Still in his 40s and an active plant security officer, he has had 20 years' experience as a guard, policeman and deputy sheriff.

COUNTY SUPERINTENDENT OF SCHOOLS, Democratic—Wilbur R. L. Trimpe, Bethalto, incumbent. In school work 38 years and a superintendent 30 years, he has served at all levels of the educational system, once headed the Illinois Elementary Principals' Association and is president of the Nashville bloc of the Illinois County Superintendents' Association. Regarded as an expert on school law, finance and organization, he has expanded the county's psychological, guidance and special education services and has increased the number of conferences, institutes and workshops to aid in upgrading the quality of instruction.

THE PASTOR SPEAKS

REV. PAUL A. EVANS
First Assembly of God

Here comes election time! The candidates, the tons of campaign propaganda, the speeches and the contact folks who work the telephone and personal approach. The interest groups caucus admidst blue smoke and small town gossip. Excitement reigns, coffee flows and it's all so wholesome.

Next comes the ugliness. A rumor is planted, innuendos writhe out like serpents. We hear such expressions as "payoff", "kick-back", "duplicity", 'machine" and "coercion."

Words, like bullets, wound and kill. Yesterday the candidate was my neighbor, my fellow-Quad-Cityan. We enjoyed small talk, shared our common problems and hopes, but today he's besmirched. He's a monstrous evil being without moral responsibility.

At this point, I become perennially involved with the contemporary church and its responsibility to public elections. Questions arise in my mind such as: should the ministerial group become political action committees?, should the churches choose and back candidates?, and so on.

The answers to such questions become irrelavent to the proposition when we observe that most candidates are members of one of our local congregations.

In the light of such an observation, I must reverse my field of thinking to observe: If the candidate is morally unqualified, yet a church member, why hasn't the church produced a better man? Because it cannot.

The church can only lead a man to the Source of power that can fortify him with a character that will make him think right and do right.

God, who has manifested this power in great characters of Judaic history, such as Daniel and Amos, still lives. He, who prepared man and empowered them at Pentecost to permeate the accepted immorality with a power that changed men and affected thhem to live by holy ethics strange to the status-quo, still lives. A leopard cannot change his spots, but a man can become a better man.

My experience with public officials has been very wholesome. For the most part, they are sincere, earnest and intent on doing a good job. Irresponsible, immoral and unqualified men get into office by the political 'machine" system. Such machines "deliver" votes.

You go to the polls this April making sure you are not a delivered vote. Cast your ballot from the honest conviction of your heart.

Vote for candidates who, as far as you know, are qualified and dedicated to the highest moral principles of public service. Thus, good government is guaranteed.

GUARDIANS AND CONSERVATORS

Who do guardians guard, and what do conservators conserve?

When a boy is under age 21 or a girl is under age 18, they are considered minors by Illinois law. When both parents of a minor child are living and are able to transact their own business and are fit persons, they are entitled to the custody of their children and the direction of their behavior and education.

The same is true if one parent is dead and the other is living and is a fit person. In these cases, the parents are often called the natural guardians of their children.

Guarding Of Child's Welfare

Sometimes, however, the child's parents are either dead or are unfit, unable or unwilling to give their child the care, control, education and support to which he is entitled.

In that eevnt, either the court not being properly looked after or "guarded."

In that eevnt, either the court or any reputable citizen of Illinois, can file a verified petition in the county or probate court of the county where the child lives, and upon a proper hearing the court will appoint a reputable citizen to watch over and guard the child.

Who Can Be a Guardian

If the child is over 14 years of age, he may nominate a person to be his guardian if such person is approved by the court.

A non-resident of Illinois as well as an Illinois citizen can be the guardian of the person of an Illinois minor child, but a guardian of the estate or property of a minor must be an Illinois resident or a corporation qualified to accept and execute trusts in Illinois.

The guardian of a child's property or estate must be bonded, as he has the responsibility for the care, management and investment of the child's estate and he must manage the estate frugally. Under the direction of the court, he applies the income and profits from the property as may be necessary for the comfort, support and education of the child.

If necessary, the court may order the guardian to spend part or all of the property for the ward's necessities, and if it is to the best interest of the child, the court can order the guardian to sell the child's interest in real estate or personal property and to reinvest the proceeds of the sale.

Annual Reports Required

The guardian makes annual reports to the court of his acts and of the income and expenses for the ward, and is liable for any waste or mis-management of the ward's funds.

When the minor reaches 21 (or 18 for girls), the guardianship ends and the guardian reports the fact to the court and turns all the property over to the ward.

A conservator actually has the same type of duty and responsibility as a guardian, but is generally appointed to "conserve" the property or the health of one who, while he may be an adult, is either physically or mentally unable to look after himself or his property.

Who May Be A Conservator

Any person of legal age and not adjudged an incompetent may be appointed a conservator of the person or estate, or both, of a physically or monetally person.

The conservatorship of the incompetent's estate may be granted to one person and the conservatorship of the incompetent's person to another.

The powers of both a guardian and a conservator end when the ward dies, except for certain duties imposed by law to close the estate.

SIMON ONE OF BEST LEGISLATORS, NEEDS VOTE SUPPORT TUESDAY

To the Editor:

I do hope the people of Madison, Jersey and Greene counties think before casting their vote, especially for state senator.

The word "politician" should be a word that is thought of with respect, but it has become an ugly word.

An honest person with true convictions and high morals doesn't have much of a chance when he runs for office, because of the money it takes to influence the people. When a candidate takes this money, he has very little chance to help his voting public, because of his commitments made for finances, with priority going to the highest giver.

I do hope people soon wake up to the fact: you can't buy good government.

Let us all get behind Paul Simon, who has proven himself one of the best legislators, has shown his integrity and is a friend to the voting public.

Get out and cast your vote, because if you stay home it helps to defeat a good candidate like Paul Simon.

MRS. DOROTHY PARTNEY
2215 Dewey avenue

SAYS SIGN CAMPAIGN BY CANDIDATE IS COSTLY

To the Editor:

What makes a good politician? Is it advertisements, honesty or qualifications?

In the campaign for county superintendent of schools, Mr. Shaver's name is everywhere. He has large advertisements that tell who is backing him, but nothing about what he stands for or against. To me, this means nothing. All the advertising is very costly.

Mr. Trimpe's past record and qualifications speak for themselves. In Thursday's Press-Record, there was an article in which the three local and other Madison county school superintendents praised his excellent leadership and honest, efficient service.

Tuesday, let's show our appreciation and vote for Mr. Trimpe.

SATISFIED VOTER

ROBERTS ASKS PUBLIC TO COMPARE RECORDS OF HIMSELF, OPPONENT

To the Editor:

Tomorrow you will go to the polls in a primary election. As the day approaches, we find ourselves in the unusual position of being ignored by a candidate for a principal office.

The police chief of Madison has asked the Democratic party and the people of Madison county to elect him to the office of sheriff, but he chooses to hide from the people.

Various excuses are given for his failure to appear in public, where he would have to expose himself and his record. If he is this difficult to see now, then a complete disappearing act must be planned in the event he is elected.

The Madison-Venice machine is apparently depending on a fat checkbook and a well-oiled operation to force its candidate down the necks of the people in Madison county.

The ward heelers are being sent forth to battle while the record stays in the file. That record, however, should be on the minds of every good democratic citizen when he goes to the polls.

I am and have been willing to place my record before you for examination. I seek the office of sheriff because I am sick and ashamed of having Madison county referred to as the home and execution ground of gangsters.

I believe the sheriff of Madison county should be a man who has attained a position of responsibility in law enforcement by his ability and not through political activity.

We should also remember that Communism thrives where democratic processes break down and become corrupt.

S. HAROLD ROBERTS
Assistant Chief, Alton city police department

PROCLAMATION

WHEREAS, in honor of the Secretary, the week of April 22-28, 1962, has been designated as Secretaries Week and,

WHEREAS, in keeping with the best traditions of their profession, secretaries are accpeting vital responsibilities and are performing important roles in commerce, industry, and government; and

WHEREAS, the efforts of these skilled office workers are usually taken for granted and their many contributions to the nation's progress are unrecognized, and

WHEREAS, to honor the secretaires now doing their jobs diligently and encourage others to enter this worthy career, it is essential that rightful recognition be given them.

NOW, THEREFORE, we, the mayors of the Quad-Cities do hereby declare the week of April 22-28, 1962, Secretaries Week and ask that all business and industry join in giving due recognition to this group, paying special attention to Secretaries Day on April 25, 1962.

MUCH VOLUNTARY HELP, MINIMUM SPENDING IN SHAVER CAMPAIGN

To the Editor:

I read with interest an article that appeared in a recent issue of the Press-Record pertaining to the high cost to the candidates in the coming primary election. There are without doubt certain costs involved in conducting a political campaign, but one candidate has by necessity kept his cost to a minimum.

That candidate is Russell Shaver, who is running for county superintendent of schools. Mr. Shaver has a tremendous number of friends and associates who have volunteered their time, efforts, automobiles and money in an effort to elect a man they believe to be best suited for the position.

"Volunteers for Shaver" are active in every community in Madison county, but perhaps the one group that is best indicative of the true feeling for Mr. Shaver is a group of 20 boys who were in his seventh grade class last year at Roxana junior high.

These youngsters have given every Saturday for the past 10 weeks in order to distribute Mr. Shaver's literature. At a time when many parents have difficulty in getting young people to assume responsibility, this is especially heartwarming.

We are putting forth every effort in this campaign but, win or lose, we know what Russ Shaver has suddenly come to realize; he has countless friends who are ready to demonstrate that friendship.

EXPRESSES GRATITUDE TO DEMOCRATIC PARTY FOR ENDING DEPRESSION

To the Editor:

Lately one is reading some interesting letters from a Mr. John B. Moss. We wonder if this is the same Mr. Moss who once ran for office of mayor in Granite City. We believe it was in the thirties, but could be wrong at that.

But it seems to us he was a Democrat then. Is he the same Mr. Moss who at one time wrote about his experiences in politics when living in Kansas City? We wonder why Mr. Moss, since he knows all the tricks in politics so well, is not running for political office himself.

In yesterday's (April 2) letter, Mr. Moss is asking if we are ashamed of our party affiliation.

Let us here emphasize that personally we are not affiliated with any party and do not intend to become affiliated, but here again we want to emphasize that the Republican party would be the last one we ever would be going to affiliate with.

We simply can't forget that under their administration we saw marchers (in or about 1930) marching on State street, carrying banners with the inscription, "Fools starve, Men fight." It took a Democratic party with a Democratic president to straighten things out again, and we are still thankful for that today.

Yes, Mr. Moss, no party affiliation yet, but still mighty grateful to one party and its energetic Mr. Roosevelt for a job well done—the Democratic party.

PROCLAMATION

WHEREAS, the Illinois Woman's Christian Temperance Union has designated that the period of April 8 through April 15, 1962, be observed as Youth Temperance Education Week, and

WHEREAS, the purpose of this observance is to unite the youth of the community and state in a program of Christian citizenship to build for total abstinence for the individual and sobriety for the nation through education, and

WHEREAS, the education of youth as to the evil in the use of alcoholic beverages and other narcotics demands the cooperation and support of all right-thinking citizens,

NOW, THEREFORE, WE, the mayors of the Quad-Cities do join with Governor Otto Kerner in proclaiming the period of April 8-15 as Youth Temperance Education Week and urge the cooperation of all citizens in this worthy endeavor.

Re-elected To Office

David Weber, son of Mr. and Mrs. Edwin Weber, 529 Jefferson avenue, Venice, has been re-elected to the Student Senate at Eastern Illinois University in Charleston where he is completing his junior year as a Life Science major.

Destructive criticism is comparatively easy—the constructive kind requires lots of thought.

Award Nominations Open To The Public

Anyone in the community is eligible to submit nominees for the Jaycee Distinguished Service Award, according to Paul Morris, award committee chairman. Deadline for nominations is May 1.

The award is given annually to a young man of the community, 35 years of age or younger, who has contributed significantly to the community or state welfare and betterment. Recipient is selected by a panel of judges.

Morris emphasized that anyone who has a candidate in mind for the award is urged to submit his nomination. Nomination blanks are available from any local Jaycee.

Judging is based on the individual's contribution to the community welfare during 1961, his participation in all-around activities, evidence of lasting contributions to the community, exhibition of leadership ability, evidence of business or personal progress and cooperation with individuals and civic organizations.

Winner of the local award will be entered in national competition in which the 10 outstanding young men in America are chosen.

GC High School Band Ends Concert Series

A crowd of 450 people attended the fourth and final concert in a series presented by the Granite City high school band, according to Louis Meek, conductor. It was held Thursday night in the school auditorium.

"It was a good audience—appreciative, but smaller than expected," he said.

He attributed the smaller-than-usual audience to the fact that several public meetings and social events were going on at the same time.

The guest band at the final performance was from Central grand school, directed by Miss Vivian Raffaelle. The guests performed three numbers they played at the recent district music contest in Madison.

The high school band played works by Sousa, Mozart, Verdi and Noel Coward. A concert trio composed of Guy Lahr, Ted Schaefer and Kenneth Willie were featured in a presentation of "The Three Trumpeteers" as arranged by Glenn Cliffe Bainum.

SELF-APPRAISAL

Instead of seeing ourselves as others see us, most of us would rather have others see as we see ourselves.

A Message of Cash Importance to Our Savers

Dear Saver:

The earnings you receive on your savings account are in danger of being reduced as a result of a tax bill now in Congress.

This bill, **H.R.10650**, already has passed the House of Representatives. As approved by the House the bill provides:

1. **For a substantial increase in the taxes paid by savings and loan associations.** This is the same as taxing you because any increase in taxes paid by savings and loan associations reduces the earnings from which associations pay dividends to savers.

2. **For a 20% withholding tax on all interest and dividends.** Under this proposal 20% would be skimmed off the earnings from all types of investments: United States savings bonds, corporate stocks and bonds, insurance, mutual funds, and savings in banks, savings and loan associations and credit unions.

Further Facts About Savings and Loan Taxation

While the bill as passed by the House of Representatives provides for a substantial increase in the taxes paid by savings and loan associations, competitive interests are asking that the Senate levy even greater taxes on savings and loan associations than the increase voted by the House. If this proposal should prevail in the Senate, it would greatly increase our expenses and make it difficult, if not impossible, for us to maintain the present rate of earnings on your savings.

Additional Facts About Withholding

Our institution and all others that pay interest or dividends would be required to deduct 20% and send it to the government. You would be required to claim this 20% as tax paid when you file your annual personal income tax return.

Savers who for one reason or another would not have to pay federal income tax in any one year would have to file an exemption certificate with us and with every organization that pays them interest or dividends. This certificate would have to be filed each year, else withholding would be necessary.

Some people do not pay their full taxes on interest and dividends. This is the reason for the 20% withholding tax proposal on the interest and dividends of everyone. **The government is in effect trying to weed the garden with a bulldozer when it requires withholding on the interest and dividends of everyone in order to make sure that it collects taxes owed by the few who do not report all of their interest and dividends on their personal income tax returns.**

If you agree that taxes on savings and loan associations—which you, the saver, would end up paying—should not be increased and if you agree that this proposed withholding tax against your savings and investments is unnecessary and unfair, then you can do something about it by writing to your two United States senators.

Now is the time to protest, and the protest must be made to those who are writing the tax law.

Your senators may be addressed as follows:

The Honorable .....
United States Senate
Senate Office Building
Washington 25, D. C.

Salutation: Dear Senator .....:

Sincerely,

Your Savings and Loan Associations

Our Position on Savings And Loan Taxation

1. Savings and Loans have paid taxes for many years, just like other businesses. To encourage building up bad debt reserves Savings and Loans have been able to accumulate up to a maximum of 12% of total savings accounts.

2. Nobody expects a "free ride" on taxes. What we do want is a tax formula that will allow us to build up bad debt reserves adequate to absorb losses rather than some hasty, thrown-together formula that only penalizes us because we pay higher earnings to our customers.

3. Savings and Loans make real estate loans that run 20 years or longer, so losses won't show up each year, but tend to "bunch up" when there is a slump or recession. It's necessary to build adequate reserves to take care of such possibilities.

4. Savings and Loans are a low-margin business. By the time we collect our interest on long-term mortgage loans, pay our savers 4.5% dividends, we are left with approximately 1.5% to pay the expenses of our associations and provide for reserves. Any increase in taxation is inevitably going to wind up coming out of the customer's pocket, either in the form of higher rates on loans or lower earnings on savings.

5. Whatever Congress decides, your Savings and Loan Associations will continue to put "safety" first and keep adding to the reserves that protect your savings.

WRITE TO YOUR SENATORS NOW!

PAUL H. DOUGLAS
EVERETT M. DIRKSEN

A MESSAGE OF IMPORTANCE TO OUR LOAN CUSTOMERS:

Congress currently is considering legislation which if enacted would adversely affect you and the other home owners and home buyers of the nation.

This legislation, which is supported primarily by competitive interests, calls for a drastic revision of the savings and loan income tax law. Such a revision would severely restrict our ability to attract savings and would result in a significant reduction in the amount of funds available for home mortgage lending.

As you know, when money for lending on homes is not readily available, interest rates on home loans will rise. This is simply an application of the economic maxim that if demand exceeds supply, the price will rise.

Therefore, should you as a home owner desire to sell your home or buy another, this increase in interest rates could have a material effect on the price of a house. A buyer for your present home would be inclined to pay less for it because he would be unable to obtain a reasonable mortgage with monthly payments tailored to his income. By the same token, if you were to purchase another home, you would find your interest costs on a new mortgage to be higher than should be necessary.

This legislation is now pending before the United States Senate. We urge that you write to Senators **EVERETT M. DIRKSEN** and **PAUL H. DOUGLAS** telling them that you oppose this legislation which will drastically hurt our country's housing program, will lead to higher interest rates on home mortgages, and which will adversely affect your ability to buy or sell a home.

You can address your senators as follows:

The Honorable .....

TIME IS SHORT, SO PLEASE ACT PROMPTLY.

BAND, ATHLETICS PROGRAM FOR PTA

The executive board of the Wilson school Parent-Teacher Association met Thursday evening at the school to make plans for the PTA meeting Thursday. The meeting was changed because of the Easter vacation. The president, Bill Cedor, was in charge.

Mrs. Marion Meyer announced that the program will be given by the McKinley division band, under the direction of Frank Meyer, and the physical education department, under the direction of Robert Stegemeier, physical education teacher at Wilson school.

The annual school picnic was discussed. The date is May 17.

Mrs. Doris Votaw announced the date of the rummage sale is to be May 1, at the Odd Fellows hall. Mrs. Votaw reported on the leadership training course held recently by the Area PTA Council. Cedor reported on the Area Council meeting and announced that election of PTA officers will be held at the regular meeting.

Tentative plans were discussed for an art program for the May meeting. Other members taking part were Principal Ted Vreniek, Mrs. Jean Hall and Mrs. Elizabeth Briggs.

Parking Receipts Down Slightly During March

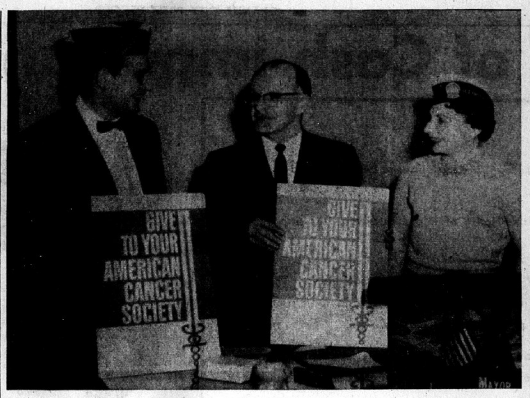

The month of March struck a happy medium for parking meter receipts and fines. On both counts, receipts were higher than in January, but lower than in February.

Small change fed into the mechanical, mercenary midgets by Granite Cityans and visitors rang up to a total of $2816 and a few cents. Penalties exacted from those who neglected to feed "dirty" amounted to another $188, bringing the total take for the first quarter to $9036, including all fines and meter collections.

Meters were in operation 27 days, compared to 23 days in February and 26 days in January.

The daily average was $111, up $5 over January but down $31 from February when fines brought the take up considerably.

Generally parking receipts and fines have declined over previous years, probably due to increased off-street parking that has become available, city officials say.

SIU Seeking Rare Books For New Campus Library

Paul V. Chamless, a bookman specializing in old and rare books has joined the staff of Southern Illinois University's Edwardsville Campus library to help secure rare books and other books to strengthen the library for the coming expansion of the university.

"A tremendous number of books will be needed which are no longer readily available through regular trade channels," head librarian John Abbott said. "Mr. Chamless will devote full time to calling on persons who notify the library that they have books which may be of use.

Persons having an accumulation of books, whether a handful in the attic or a specialized collector's library, are welcome to contact Chamless at the library on the new Edwardsville Campus, he added.

Born and raised in Texas, Chamless has lived in Belleville for the past 10 years. No strangers to the area, he and his family formerly lived in Collinsville. Mrs. Chamless is a teacher in Clark junior high school in East St. Louis.

In seeking acquisitions for the SIU Edwardsville Campus library, Chamless will not be interested in buying books, but in acquiring them through the "Friends of the Library" organization or other groups and individuals who help the library in its efforts to secure books of value to the university.

Defective Traffic Light Causes Two-Car Crash

A highway traffic signal that was stuck on red was blamed for a two-car crash at the intersection of U. S. Highways 67a and Bypass 66-40 Friday afternoon involving two Granite City motorists.

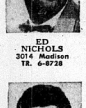

State police said Lonnie Kingston, 2227 Benton street, was going west and because of the defective signal proceeded and was attempting a left turn on a red light, while the other auto was being operated north by George W. Botkin, 1937 Grand avenue. No charges were filed.

Teen Town Club Crowns King And Queen At Dance

Approximately 200 teenagers attended the annual Teen Town King and Queen dance Saturday night in the local YMCA. The highlight of the evening was the announcement of winners of the King and Queen titles.

The honor went to Bob Kary, 17, and Jean Fryntzko, 17.

Bob is the son of Mr. and Mrs. Alex Kary, 2263 Iowa street. He is a senior at Granite City high school, president of the student council, a member of the Letterman's club, the Roca Men's club and the Teen Town council.

Miss Fryntzko is the daughter of Mr. and Mrs. John Fryntzko, 3113 Ash avenue. She is a senior at Granite City high school, and a member of Tau Omega Pi, the advanced mixed chorus, Art club, Masque and Gavel club, the Tri-H-Y club and the Teen Town council.

From 20 Candidates

Members cast ballots to select winners. The names were kept secret until the announcement was made at the dance. The nine runners-up for each title served as attendants.

King Candidate runners-up were Brett Bjorkman, Bud Felchin, Jim Harsh, Quentin Hoover, Douglas Little, David Paoli, Cliff Rousseau, Jerry Siers, and Jim Slattery.

The runner-up queen candidates were Arlette Alexander, Vickie Andrea, Pam Dyer, Andrea Gasparovic, Jane Kries, Carol Krivi, Marilyn O'Niel, Martha Spengler and Donna Trgovich.

Girl Scouts Plant Tree For 50th Anniversary

The 50th anniversary of Girl Scouting was celebrated Saturday by the member troops of Neighborhood Five of District 4, River Bluffs. Council with a tree planting ceremony in the park at Amos and Fair Oaks drive.

Girl Scout officials and members of the park board attended. Mrs. Bernard Miller jr. made the opening remarks and introduced the members of the park board; Harold Brown, park recreational director; Mrs. Shirley Brown, District Four chairman; Dr. A. H. Rode, whose estate donated the land for the park; and O. H. Williams, planting director.

Three girls scouts planted the tree. They were Marie Schieb, of Troop 229; Janet Geiger, of Troop 277; and Linda Green, of Troop 336.

The tree planting committee consisted of Mrs. Charles Lybarger, chairman, Mrs. Kenneth McQuinney, Mrs. Cecil McCalla, Mrs. Keith ackson and Mrs. Stuart Cowan.

Fudge-Nut Cake With Fluffy Caramel Frosting

"OBOY, OBOY, OBOY! Mom's making chocolate cake today!" And such a handsome cake it is—fudgy, nut-filled layers frosted with swirls of caramely frosting. Rich, moist and oh-so-chocolatey, this cake is full of old fashioned goodness. Sprinkle chocolate shot around the sides for a quick 'n' easy way to give the cake a professional decorator's touch.

Smart Mom! She uses enriched flour in her Fudge-Nut Cake and in all her baking to give her family the extra nutritional benefits of iron and three B-vitamins.

FUDGE-NUT CAKE WITH FLUFFY CARAMEL FROSTING

- 3 squares unsweetened chocolate (3 ounces)
- 2¼ cups sifted enriched flour
- 1 tablespoon baking powder
- 1 teaspoon salt
- ½ cup butter or margarine
- 1¼ cups sugar
- 2 eggs, separated
- 1½ cups milk
- 2 teaspoons vanilla extract
- ¾ cup finely chopped nuts
- ¼ cup sugar
- Fluffy Caramel Frosting
- Chocolate shot, if desired

Melt chocolate over hot water. Cool. Sift together flour, baking powder and salt. Cream together butter or margarine and 1¼ cups sugar until light and fluffy. Beat egg yolks. Add to creamed mixture, beating thoroughly. Blend in chocolate. Combine milk and vanilla extract. Add dry ingredients to creamed mixture alternately with milk mixture beginning and ending with flour. Stir in nuts with last addition of flour. Beat egg whites until foamy. Add ¼ cup sugar gradually and continue beating until stiff peaks are formed. Fold into batter. Turn into 2 waxed paper-lined, greased 9-inch round pans. Bake in moderate oven (350°F.), 40 to 45 minutes. Cool about 10 minutes before removing from pans. Place right side up on racks to cool thoroughly. Frost between layers and over sides and top of cake with Fluffy Caramel Frosting. If desired, decorate cake with chocolate shot.

FLUFFY CARAMEL FROSTING

- ¼ cup light corn sirup
- ½ cup brown sugar
- ½ cup water
- 3 egg whites
- ¼ teaspoon salt
- ½ teaspoon vanilla extract

Combine sirup, brown sugar and water. Bring to boiling and cook to 238°F. on candy thermometer or until sirup spins a long thread (6 to 8 inches). Meanwhile, beat egg whites and salt until soft peaks are formed. When the sirup has reached the proper consistency, pour it slowly onto beaten egg whites while beating constantly. Continue beating until frosting is fluffy and forms peaks. Blend in vanilla extract. Spread frosting between layers and on top and side of cake.

Makes one 9-inch layer cake.

GC High School Students Exhibit Science Projects

Seven Granite City high school science students spent today at the Washington University campus setting up five exhibits for the Greater St. Louis science fair. They hope to be on hand Tuesday when judging takes place.

The exhibits are among 1200 entries in the competition for cash awards and scholarships.

The exhibits will be open to the public Tuesday evening through Friday evening.

An automatic photo-electric integrating exposure computor is the entry of Harry Wood, 17, a senior, son of Mr. and Mrs. Harry Wood sr., 2832 State.

Wood also is participating in a camera club exhibit with Edward Gardner, 15, and Dwight Whitaker, 16, entitled "Bacteriological Research with Micro-Photography."

Gardner, a sophomore, is the son of Lt. Col. and Mrs. Paul Gardner of the Granite City Engineer Depot. Whitaker, a junior, is the son of Mr. and Mrs. Dwight Whitaker sr., 1532 Joy avenue.

John Miller, 17, and John Spudich, 17, have a joint entry entitled "Beta Hemolytic Streptococci and their Relation to Rheumatic Fever."

Miller, a senior, is the son of Mrs. Marianna Miller, 2225 Cleveland blvd.

James Robert Bowers, 17, has entered an exhibit entitled "A Demonstration of Spetroscopy and Its Uses in Our Modern World." He is the son of Mr. and Mrs. James Bowers, 2824 Nameoki road, and is in the junior class.

David Williams, 15, a sophomore, has entered an exhibit on prehistoric life which includes models, stone weapons and fossils.

The students are under the direction of Edward Gonwa.

4 Multiple Injury Accid'ts

(Continued from Page 1)

injuries Friday afternoon in a two-car accident at 18th street and Madison avenue. Treated at St. Elizabeth Hospital were Mrs. Geneva Brooks, 28, of 2106 Ohio avenue, and two passenger in her car, Terry Atkins, 5, and Wanda Atkins, 4, children of Mr. and Mrs. James Atkins, 2609 Highway 67A. They suffered bruises.

Police said Mrs. Brooks was driving east on 18th street and was motioned on by an unidentified driver going north on Madison avenue. The collision involved another northbound car driven by John V. Deton, 59, of Worden, who escaped injury.

Two men were treated at St. Elizabeth Hospital about 8 a.m. yesterday for injuries suffered in a traffic accident in this area. They were Ray Russell, 26, of Garesche Homes, who sustained bruises to his left elbow and a back injury; and George Warnecke, 23, of Wood River, who suffered multiple contusions and abrasions. Local authorities had no report of the mishap.

A Wood River woman, Mrs. Marie Hoover, 45, and her three-year-old daughter, Marilyn, suffered minor injuries in a two-car collision about 1:30 p.m. yesterday on Route 111 near here. They were given emergency treatment at St. Elizabeth Hospital.

Mrs. Hoover and her daughter were passengers in an auto operated south by Dr. Herman Hoover, a Wood River chiropractor. Dr. Hoover told the Press-Record two autos traveling south in his lane stopped suddenly and he was unable to stop quickly enough on rain-slicked pavement to avoid a crash. Mrs. Hoover was transferred to Alton Memori Hospital for treatment of an ankle injury and released.

Mrs. Grace MacLaughlin, 43, of 2400 Bryan avenue, is in St. Elizabeth Hospital as a result of a collision between the car in which she was riding and another vehicle at the intersection of state Route 111 and state-aid Route 35 near Horseshoe Lake at 5 p.m. yesterday. She had abrasions to both knees and hands and the left side of her face, and is in fair condition.

Sewer Plan Financing

(Continued from Page 1)

"calls for separating the older sewer system which would greatly benefit the Nameoki area, provide added drainage facilities and a sewage treatment plant which is required by the state Sanitary Water Board."

Alderman Partney added that even if the master sewer and drainage program is defeated, the citizens of the Nameoki area would be required to pay the added cost of about 90 cents a month to build a sewage treatment plant, which the city will be forced to construct.

To be explored is the city's qualification for federal urban renewal funds should the master sewer program be carried out. It was estimated $20,000,000 federal funds would be made available to the city for redevelopment, and that it is possible a portion of the funds could be used for sewer and storm water drainage lines in areas of the city.

Haroian asked Beatty if the master program could be carried out without a referendum.

Questions On Referendum

The city attorney said that under revenue bond financing, a referendum is not required, but that residents would have 10 days after the bond ordinance is passed to request a vote by presenting a petition bearing signatures (estimated at 2100) of 15% of the total number of votes cast in the last general city election.

The aldermen present assured the members of the association that sufficient time would be given for detailed study of the entire program and the revisions which might be made in the next 30 to 60 days while the fiscal agent is developing the financing program.

Alderman Vesci said his committee, when the bond issue ordinance is prepared, will submit it to the council on first reading to make certain all Granite Cityans will become familiar with the details before any final action is taken. Alderman Skubish told the group he had voted against the hiring of a fiscal agent as it was his impression that the council would push through a bond issue without a referendum. Vesci added that he would get out and help circulate petitions, if necessary. Basarich said the council should force a referendum.

Skubish continued his remarks stating he believed the original $16,000,000 program had been cut too short, but that the need for storm water relief exists. He cited examples of drainage problems in the Sixth Ward at the eastern end of Lincoln avenue and in Community Heights and American Gardens subdivisions.

Explains Surplus Fund

Beatty was questioned concerning $7,000,000 surplus listed in the bond financing chart of the Citizen Committee's report. He explained the bond coverage is required by purchasers of bonds to assure payment of the entire issue in the event there is a recession.

He said the same procedure was followed in the sale of revenue bonds for the Nameoki sanitary sewer system and that surplus funds may be used to pay the bonds faster than the time specified. The surplus, he said, can be placed in a bank and draw interest at a rate that usually is higher than the amount paid on the bonds. "It can be used to retire the bonds faster, and in the case of the Nameoki sanitary sewer system, financed in 1954 for a period of 40 years, it probably will be 20 to 24 years instead. The bond coverage is required by the people who buy the bonds to want to make certain the revenue will be sufficient. It amounts to about 1.4%."

Alderman Partney outlined sewer costs to local industries and said a number of local plants are considering construction of their own treatment facilities. He stressed that industries will be paying a share to go with the charges to individual householders.

Turning Point For City

"I think this is a turning point in Granite City," Partney told the association members. We're going to have to pay for a sewage treatment plant, and unless we go into a program to separate storm water and sanitary sewerage, we're going to be in trouble and won't be able to grow.

"It's only when we grow and expand that it will mean more jobs. I know we have to watch taxes. Twenty years ago I wasn't paying near the taxes I am now, but then I wasn't making as much either."

Alderwoman Betinec was called upon by Haroian to express her views.

She pointed out the discussion was enlightening and the group was reasonable in its views.

"There are two facts to be considered," she added, outlining the need of the council to consider the entire city rather than to pinpoint problems in wards and to decide if the city is to solve its pollution abatement problem or to go ahead and provide added storm water relief "to solve the biggest problem in Granite City — getting rid of storm water.

"There's not enough money to take care of every problem in the city, but we can at least get started," Mrs. Betinec said.

Haroian said the meeting was only the first, and that the association would conduct additional "open and public meetings to enlighten not only its members but any interested Granite Cityans who care to attend."

At the outset of the meeting, a review of the Citizen committee's report was presented by Francis Herman, a member of the association's board of directors.

William the Conqueror appointed commissioners to make a survey of the estates and possessions of every landholder. The book in which findings were recorded gave William the knowledge he needed to tax land. It was called the "Doomsday Book" because individuals could not appeal the findings.

State, County Primary Voting

(Continued from Page 1)

sentative, former Venice resident and former Republican.

Democratic aspirants for O'Neill's probate judge post are Arthur F. Wendler, Edwardsville who has law offices in Troy, Alton Justice of the Peace George M. Berry, who resides in Godfrey, and Public Defender Austin Lewis of Madison.

Sheriff candidates on the Democratic ballot are S. Harold "Cotton" Roberts, assistant police chief of Alton, Madison Police Chief Barney Fraundorf and Fred Craycraft of Venice, a railroad yardmaster.

County School Supt. Wilbur R. L. Trimpe (D) of Bethalto is opposed by Russell G. Shaver, Madison, a Roxana principal who formerly served as assistant county superintendent under George T. Wilkins and Trimpe.

Unopposed for Democratic county nominations are Miss Eulalia Hotz, Edwardsville, incumbent county clerk; Dale Hilt, Madison, incumbent probate clerk; and Sheriff George Musso, Edwardsville, county treasurer candidate.

Wilkins, former Madisonian and Granite Cityan now residing in Edwardsville, is unopposed for re-election as state superintendent of public instruction. Also unopposed on the Democratic ticket are Francis S. Lorenz, Chicago, incumbent state treasurer; James P. Alexander, Lawrenceville, state treasurer chief clerk, seeking the state supreme court clerk position; James R. McLaughlin, Mount Vernon, incumbent Fourth District appellate court clerk; and Congf. Melvin Price, East St. Louis.

Cong. Sidney R. Yates, Chicago, is opposed for the Democratic U. S. senate nomination by Lar "America First" Daly, Chicago, a perennial candidate.

Mudge In 4-Way Race

In election of Democratic party officials, Harry E. Hartman, Nameoki township, Joseph Watsker, Alton, and Robert T. McCormick, Granite City, all incumbents, are unopposed for three 53rd District (Madison county) representative committee posts, but there is a four-way fight for Madison-St. Clair counties state central committeeman.

Those seeking a position on the state Democratic committee are the incumbent, Alvin G. Fields, East St. Louis mayor; Dick H. Mudge jr., Edwardsville, state's attorney of Madison county; Thomas F. "Skip" Hennessy, East St. Louis, an electrician and a trustee of the East Side Levee and Sanitary district; and James R. Hilligoss, East St. Louis, a railroad car inspector.

In all, the Democratic ballot lists 38 names other than precinct committeeman aspirants, and there are 18 condidates on the Republican ballot. These figures compare with April 1960 primary listings of 45 Democrats and 36 Republicans.

Dirksen Seeks Re-Election

The 1962 Republican primary ballot is headed by the contest between U. S. Senator Everett McKinley Dirksen, Pekin, and Harley D. Jones, Chicago attorney.

GOP state treasurer candidates are Walter J. Reum, Oak Park state representative; William J. Scott, Evanston attorney and bank executive; and Maurice W. Coburn, Chicago attorney.

Those seeking the nomination to oppose Wilkins as state superintendent of public instruction are Louis F. Bottino, assistant superintendent of Joliet schools, and Ray Page, Springfield high school teacher and basketball coach.

Mrs. Earle Benjamin Searcy, Springfield, clerk of the Illinois supreme court, is unopposed for the Republican nomination. The unopposed primary candidate for appelate court clerk is Earl C. Pollock, East St. Louis.

Congressional Candidates

Those running for the right to oppose Price in the November Congress race are Dr. Kurt Glaser, East Alton, associate professor of government at the Southern Illinois University residence center in Alton, and Oscar Miles, East St. Louis fire extinguisher company owner.

Smith, as noted, is unopposed sentative primary. Only others seeking nominations and listed on the ballot are two Republican sheriff candidates, William C. Straube, former Edwardsville mayor and a funeral director, in the Republican state repre and Lester M. Vierling, Venice, a security officer at General Steel Industries, Inc.

Four are unopposed for Republican party offices, including James W. McRoberts, East St. Louis, incumbent state central committeeman. He is an attorney and a former state representative.

Unopposed for three GOP representative committee positions are Ray W. Herbst, Collinsville, Walter J. Emde, Granite City, and Art Habekost, Granite City. Herbst and Habekost are incumbents.

In non-partisan voting for two positions on the county board of school trustees, there is no opposition for Elmer Ruehrup, Alhambra, and Karl L. Monroe, Collinsville editor.

Write-In Campaign

Republicans plan a write-in campaign tomorrow to fill in their side of the ballot for the coming general election.

Those listed for concerted write-in support are: for state senator, Harold O. Gwillim, Alton attorney; for state representative, M. G. Schauerte, Edwardsville attorney; for county judge, Dale Hyle, Granite City attorney; for county clerk, Robert Byrne, Granite City realtor; for probate judge, Harry Patton, Alton attorney; for probate clerk, Wilbur H. Gehring, Edwardsville farmer and county Republican chairman; and for county treasurer, John W. Webber, Wood River.

Informal but general alliances in the Democratic primary, differing to an extent in some precincts, link Mudge, Simon, McConnell, Berry and Shaver in one group and, in another, Fields, O'Neill, Kinney, Miss Hotz, Lewis, Hilt, Musso, Fraundorf and Trimpe.

90-Day Jail Term For Shoplifting

A 90-day term in the county jail was handed down this morning by Police Magistrate Gasparovic for William Wideman, 60, of 2700 West 20th street, who pleaded guilty to a charge of theft in connection with shoplifting two cartons of cigarets at the local A&P Market.

Wideman was taken into custody Saturday evening.

Bottle Smashes Window

Rollo Winters, Granite City police commissioner and proprietor of a confectionery at 21st street and Delmar avenue, reported to police Sunday morning that vandals had hurled a beer bottle through a window at his store. The report showed it was a full bottle of beer.

Two 'Noise' Complaints

Police were summoned to a house in the 2900 block of Idaho avenue about 10:15 p.m. Saturday on a "noise" complaint and advised a group of girls having a pajama party to quiet down. Fifteen minutes later they were summoned to 22nd street between Grand avenue and State street on a complaint of a noisy amplifier at a house and advised the owner to turn it off.

Mud Smeared On Auto

Wayne Burgess of Bethalto reported to police at 1:10 a.m. Sunday that vandals had smeared mud on his 1962 auto while it was parked in the 2600 block of Grand avenue.

COMPASS

Reasons and ideas have an influence on our actions—guideposts for future accomplishments.

The Swiss government recently chose "Schweizerpsalm," "Swiss Psalm," as the nation's national anthem. The unofficial national song had been "Rufst du, mein Vaterland," "Callest thou, Fatherland," sung to the tune of "God Save the Queen."

There's nothing new under the sun—and the same old stuff is going on under the moon.

Mrs. Taylor Attends Banquet In Chicago

Mrs. Irma Taylor, department of Illinois president of the Daughters of Union Veterans of the Civil War, with her secretary, Mrs. Edna Hoevel, returned Sunday evening from Chicago where she was guest of honor at a reception and luncheon commemorating the 96th anniversary of the Grand Army of the Republic given by the Sons and Daughters of Veterans of the Civil War Banquet Association of Cook County.

Mrs. Taylor, with the heads of the Grand Army of the Republic family, placed a wreath at the monument of General Logan and conducted a council meeting Sunday at the Morrison Hotel. She left this morning to attend a similar dinner to be held at the Masonic Temple in Decatur, and Tuesday will return to Chicago for a party to be given by all of the D. of U. V. Tents of that city.

Cradle Shower Sunday Honors Mrs. Harold Ellis

A cradle shower honoring Mrs. Harold Ellis was given Sunday afternoon by Miss Sandra Butler and Mrs. Joe Spillers at the home of the latter, 3156 Rodger avenue.

Present were Mesdames Margaret Willaredt, Cherie Buehrer, Fannie Willaredt, Esther Kosten, Judy Johnson, Loretta McDaniels, Vera Willaredt, Marcella Epping, Donna Fanning, Faye Sciarini, Ethel Holtzscher, John Spengler, Viola Parker, Irene Spillers, Mary Butler, Vi Spengler and Raymond Willaredt, and Misses Jackie Willaredt, Linda Spengler and Elayne Willaredt.

A large stork centered the gift table. Refreshments were served.

Mrs. Ellis is the former Myra Willaredt.

WEEKEND GUESTS

Mr. and Mrs. William Rhoades and family, 2819 Madison avenue, had as guests over the week end Billie Jean Miller of Great Falls, Mont., and Eva Munger of Whitefish, Mont.

Local Secretaries Tour A. O. Smith; Initiate Members

Members of the Tri-Cities Chapter of the National Secretaries Association and their guests were taken on a tour of the A.O. Smith plant Thursday evening.

The tour was arranged by the planning hostesses, Eileen Davison, Betty May and Esther Rensing, employees of the plant, and Earl Noble and Frank Kubelka served as guides. After the tour there was a discussion by John Evans, night plant superintendent, and a description of all phases of manufacturing automobile frames, from cleaning of the steel plate with shot and stamping parts from blanks, on through the various welding, inspection, painting and stacking, ending with loading of frames onto pegs built into the railroad cars. Each frame consists of 205 different parts.

After the tour, dinner was served in the cafeteria and a business meeting followed.

Two new members, Sally Cooley of Stephens Business Forms, and Wanda McDonough of American National Bank, were initiated in a formal candlelight ceremony, increasing the total membership to 20.

President Eileen Davison introduced guests, including Flossie Pulford, General Steel Industries; Bobie Sizemore, Tri-Cities Chamber of Commerce; Jean Wheeler, Lake Development Enterprise Inc.; Betty Sullivan, L. Wolf Co., Rita Rensing, Mercantile Trust and Savings; and Ruth Schreiber, Social Security Administration.

Upon request, Mrs. Sizemore explained the proposed Madison County Land Use and Zoning Plan which the Chamber of Commerce is endorsing, after which the members voted to go on record as favoring the plan.

Eileen Davison will be the official delegate to the Great Lakes Division meeting in Aurora April 27-29, and by vote of the members Jane Davis was chosen as alternate.

A surprise wedding gift was presented to Miss Johanna Brzostowski by the chapter. She will be married April 28 to Richard Kacera.

Fifteen members attended the meeting, and others were Mary Sedekum, Doris Robinson, Dorothy Painter, Jeanette Trtanj, Shirley Henderson, Arlene Noll, Charlaie Vunovic, Jean Hileman, Jane Davis, Phyllis Kent and Shirley Schwendemann.

Loses Keepsake Watch

Mrs. George Vogt of Rural Route One, Edwardsville, lost a 21-jewel wristwatch in downtown Granite City this morning. The watch, a gift from her son, James Vogt, stationed at a naval base in Japan, is a keepsake and Mrs. Vogt said she is anxious for its return.

125 Attend Sorority Area Council Meet Here Sunday

The four local Beta Sigma Phi chapters entertained the State Area Council at a meeting Sunday at the YMCA. Approximately 125 were present from Belleville, Collinsville, Alton, Edwardsville, Granite City and outlying areas.

An Easter theme was used and the tables were decorated with white baskets filled with flowers and centerpieces of handmade Easter "bonnets." All of the Granite City members wore hats of their own individual design.

After registration and a social hour forums were led by Miss Hazel Towery on "rushing" and "participation programming" and rushing skits were given by the local chapters.

Dinner was served at 4 o'clock, followed by a program of entertainment. Steve Rowan, a commentator from Radio Station KMOX, was guest speaker.

Musical selections were given by the Granite City senior high school vocal group under the direction of Warren Simpkins, and Miss Leslie Hulsey played several piano selections.

A number of prizes contributed by local business men were awarded after the meeting.

Convention co-chairmen were Mrs. Virginia Johnson and Miss Diane Nemeth.

Teacher Society Elects; President Is Miss Groshong

Miss Morene Groshong of this city is the newly-elected president of Beta Eta chapter of Delta Kappa Gamma a teachers' society, for 1962-64.

She was named Saturday afternoon at a tea held in Collinsville, together with other officers, including Mrs. Laura Ulffers of Madison, second vice-president. They will assume their duties July 1.

The retiring officers from this area are Mrs. Georgia Engelke, president; Miss Cleo Ulm, treasurer; Mrs. Barbara Williams, recording secretary; and Mrs. Vivian Dine, corresponding secretary.

The program was presented by Miss Jean Trogden, a Roxana language teacher and a member of Beta Eta, who spoke on the new ideas and materials being used at present in the succesful teaching of foreign languages to students of various ages.

Members attending from the Quad-Cities were Miss Groshong, Mrs. Ulffers, Mrs. Williams, Miss Viola Edwards, Mrs. Gladys Pape and Miss Nelle Hart.

The next meeting will be held May 4 at the home of Mrs. Esther Vasileff in Granite City when the new officers will be installed.

Farm Column

By TRUMAN W. MAY
Madison County Farm Adviser

If you've "let your lawn go," chances are it's out of condition, just as you'd be if you lost the battle of the calories. Lawns, like people, need conditioning.

Proper springtime care can make your lawn the pride of the neighborhood, emphasizes W. R. Nelson jr., University of Illinois landscape specialist.

He suggests these seven steps for prize lawns:

Roll. Freezing and thawing during the winter causes the sod to heave, leaving lumpy, uneven areas in the lawn. You'll probably need to roll your lawn in early spring. But don't do it when the soil is wet. Rolling wet or heavy clay soils causes compaction that hinders root development and moisture penetration. Use about 100 pounds of weight for each foot of roller width.

Rake. About a week before the first mowing, rake up the dead grass, leaves, twigs and other debris that's been collecting since fall. If grass is unusually high, you may have to rake up clippings after mowing. If so, let them dry for a day before raking.

Mow. Mow when the grass is about three inches high. Cut it to a height of about 1½ inches.

Fertilize. Use a nitrogen-carrying fertilizer on lawns twice a year. Apply it in March or April and again in late August or early September. Use 20 pounds of 10-8-6, or a similar analysis, per 1000 square feet for Merion bluegrass. Kentucky bluegrass needs only 12 to 15 pounds. The vigor of the lawn indicates the amount of fertilizer you'll need to use; vigorous lawns may not need as much as is recommended here.

Water. Lawns usually do not need extra water in the spring. But if they do, soak the soil to a depth of 6 inches. Then wait for about a week before watering again.

Control weeds. If correct management doesn't crowd out crabgrass, a host of pre-emergence chemicals are now available. Limit them to established lawns, and follow the label directions closely. A rule of thumb—apply them before the lilacs start to bloom. Dacthal, Zytron, calcium arsenate and diphenatrile give good results on grassy weeds when used as pre-emergence treatment. For post-emergence control of crabgrass, use DSMA —disodium methyl arsonate—or AMA—amine methyl arsonate.

To control broadleaf weeds 2, 4-D is still the best bet. But follow directions closely when applying. When there's danger of killing ornamentals, use the 2, 4-D amine form. It's less volatile.

Control insects and diseases. Sod webworms and grubs are two of the biggest lawn problems from the insect world. DDT or chlordane will control webworms. Aldrin of chlordane will control grubs. Apply DDT as a spray. Use either spray or granular form of aldrin of chlordane on established sods. In all cases follow label directions.

For more information on lawn care, ask your county farm adviser for a copy of Illinois Circular 729, 'How to Have an Attractive Lawn."

The State Department of Conservation reports that five species of nursery stock for reforestation have been sold out. Supplies of black walnut seedlings, white pine transplants, extra large multiflora rose, loblolly pine areall gone. A number of other species are still available, however, and orders will be accepted until April 17.

Farmers still planning to sow some oats should use an early variety. For this area, the Minhafer, Shield and Putnam 61 varieties are recommended. A higher seeding rate, say about 3 bushels per acre, will help beat the late seeding problem.

If you have lovestock or hogs on fields with grassed waterways, watch out for damage. Succulent grasses attract the livestock. They often chew out a bare patch or cut through the sod for tasty food. Temporary fencing prevents damage. Also, livestock clean up a field better with rotation gleaning.

A grandson of Americas highest lifetime producing Holstein cow has been purchased by the Southern Illinois Breeding Association, reports Ed VonHatten, technician, and is now available through artificial breeding service to dairymen of the area. The bull, Zeldenrust Pontiac was purchased by the association from Ray Bottema, Zionsville, Ind. His maternal grandam, Zeldenrust Pontiac Korndyke is the first cow of any breed to produce 300,000 pounds of milk. She is also the second highest cumulative butterfat producer of the Holstein breed.

Tests show that dwarf corn silage has a higher feeding value than regular hybrid corn silage. The advantage isn't large enough, however, to offset the yield difference of two tons per acre. At a planting rate of 21,000 plants per acre in 40-inch rows, the regular corn produced about 18 tons of silage while the dwarf corn yielded about 16 tons.

The annual county 4-H club officers' training school will be held at the Farm Bureau building at Edwardsville the evening of April 25.

Feed grain when cows go on pasture. Since grass-legume pastures are high in protein in early spring, lower and protein content of your grain ration to about 10 pecent total protein during April and May. When the pasture is in bloom, add high-protein supplement to raise the protein content to 12 or 13%.

The 68 Land-Grant Colleges and Universities in the 50 States and Puerto Rico are observing their centennial through the school year 1961-62. The precise anniversary date is July 2, 1962. On that date in 1862 President Abraham Lincoln signed the Morrill Act establishing the Land-Grant system of higher education. County Extension Work in Agriculture and Home Economics in all states is sponsored by Land-Grant Universities, in our case the University of Illinois.

Many people are familiar with the term "Land-Grant" but comparatively few understand just what it means. The Morrill Act provided for a grant of Federal land to each state, 30,000 acres for each member of congress from the state. The land was to be sold—the going price then was about $1.25 per acre—with the income used to endow and support at least one college in each state.

The Land-Grant colleges, as they grew, became far different from their historic predecessors. They placed great emphasis on professional or specialized education, seeking to meet the needs of a people just learning how to apply the discoveries of science and advancing technology to daily life.

Joe Lane Addresses Scout Commissioners

Joe Lane, Uniwah district camping chairman, was the guest speaker at the monthly meeting of the commissioners of the Quad-Cities Thursday night at the A. O. Smith Corp. plant.

Bernard Miller jr., district commissioner, reported 18 men present.

Lane urged the commissioners to help their troop leaders get at least 70% of their scouts to go to summer camp in addition to taking weekend opportunities. Many of the troops already are signed up, but some must yet decide on the week and site of their choice.

Dan Brown, district scout executive, showed a new film strip "The Scout Goes Camping." Two assistant district commissioners, Elmer Eckert and Ed Stone, were honored for completing 16 years of service in scouting.

HS Student Recitals Planned By SIU Group

The fine arts division of Southern Illinois University's Edwardsville campus has established a young artists recital series committee who which plans to present one or more public recitals each year by outstanding young musicians selected from among area high school instrumentalists or vocalists, according to Denwyn Bolt, instructor in piano at SIU and chairman of the new committee.

Performers will be selected on the basis of auditions, with judges to be drawn from members of the recital series committee or selected by the committee.

High school musicians within the area served by the university are eligible to apply for auditions, but must do so by April 21 of this year if they wish to perform during the 1962-63 school year, Bolt said.

Further information on filing and audition arrangements may be had by writing Bolt in care of the Fine Arts Division, SIU, Alton.

Door Left Open, Burglary Suspected

Police were called to the Granite City Supply Corp., 22nd street at the railroad tracks, at 7:15 a.m. Friday by an employee who found an overhead door open on the east side of the warehouse and suspected the building had been broken into.

It was later learned the door had been mistakenly left open by another worker the night before, and nothing was missing.

Good kitchen lighting is an important part of the recipe

Given a good recipe, plus a well-ordered precision in the use of ingredients, a lady gets gourmet cooking results—*if she also has good kitchen lighting!*

This is the basic ingredient for certain success with any recipe. The time-honored central ceiling light is not enough. You need clear, glare-free lights in all kitchen work areas. Under cabinets to light counter tops. Over the sink and range. Don't cook in your own shadow.

It costs so little nowadays to correct this common cause of eyestrain and frustration. See your local electric dealer or contractor soon.

Secretaries Week To Be Observed Apr. 22-28

Local mayors officially proclaimed the week of April 22-28 as Secretaries Week with Wednesday, April 25 designated as Secretaries Day.

On hand for the proclamation signing in the Mayor Davis' office were Eileen Davison, chapter president, and Dorothy L. Painter Secretaries Week chairman. Secretaries Week is co-sponsored by the National Secretaries Association (International) and the Business Equipment Manufacturers Association.

Mrs. Davison said today, "Although NSA officially sponsors Secretaries Week, observance is not limited to our members alone, but to all secretaries everywhere who are an indispensable and integral part of management's administrative team in business, industry, education and government.

"Special attention during Secretaries Week will be focused upon the Certified Professional Secretary program which provides a certification to those secretaries who qualify in passing a six-part professional examination. Secretaries completing the examination successfully are qualified to use the designation "CPS" after their names. At present there are 2251 CPS's which includes 6 men."

In the Tri-Cities Chapter, there is one CPS, Mrs. Charlsie Vunovic, secretary in the works manager's office at General Steel Industries, Inc. Mrs. Eileen Davision took the examination last year, passing five sections, and will re-take the final section the first week in May in an attempt to qualify for the CPS designation.

Among the events to be sponsored by the local NSA Chapter during Secretaries Week will be a tea for all local secretaries at the YMCA on Tuesday, April 24.

GC Democrat Directs Workshop In Chicago

Robert G. Gibson, 2826 Nameoki road, national treasurer of the Young Democratic Clubs of America, will direct a workshop in Chicago April 13-15 at the Young Democrats' first congressional campaign conference.

Gibson will instruct Young Democratic leaders from more than 40 states in techniques of new voter registration. The leaders will return to their home states and set up state-wide training programs to help others get out the local vote. There are approximately 100,000 members in YDCA. Gibson is president of the Illinois YDs.

"Registration of new voters always has been an important role of the Young Democratic Clubs of America, the official youth organization of the National Democratic Committee," Gibson said.

32 COUNTY PRECINCTS IN GRANITE CITY TOWNSHIP FOR TOMORROW'S PRIMARY ELECTION

For the convenience of Granite City voters in tomorrow's primary election, this map showing changes in county precincts within the city-township — authorized last summer by the county board of supervisors — is published.

Four new precincts were added, including three in the Nameoki area and one in West Granite. In each instance larger precincts were divided.

Polling Places In 50 Local Precincts For Tomorrow's Primary Election

The Quad-Cities area's 50 precinct polling places for tomorrow's primary election will be open from 6 a.m. to 6 p.m.

In the last election there were 46 county precincts in the local area townships, but last year several divisions were made to add four precincts in Granite City.

At present, there are 32 precincts in Granite City township, 12 in Venice township, five in Nameoki township, and one of the Chouteau township precints is in the Mitchell area.

Three of Granite City's four new precincts are in the Nameoki area and the other is in West Granite.

Only one change in polling place location was announced late last week by County Clerk Miss Eulalia Hotz. In Granite City Precinct Three a change was made to the Jacob Friesz building, 20th street and Park avenue (rear).

Precinct polling places in Granite City will be in the following locations:

Granite City Polling Places

A dreaded word — in the nuclear age. It means radiation death or the potential malformation of the human race.

But to men in military service it can be a welcome phrase: "Fall out!" — words of rest, of duty done, of leave.

If you want to avoid radioactive *fallout*, go ahead and dig in, bury your head in a shelter. Ignore the warning of Lent. If you want the rest that God gives through His Son, Jesus Christ, then "Fall In!"

That's what the Christian church is urging you to do this Lent. "Fall in," To hear the words of forgiveness and gracious reward, "Fall out," you must first join the ranks of those wno march after Jesus Christ, the Son of God.

He heals the malformation of sin in your life. He places you into the new formation of those who receive life through His name.

The Lutheran Church in your community is sounding the divine order this Lent: "Fall in!"

TIRED OF LEVEE BOARD ABUSES?

Then go to the polls on April 10 and vote for a man who has done something—not talked about it!

During the 1961 session of the legislature when there was much talk about who was going to control the Levee Board, Paul Simon quietly slipped in a bill which will stop the worst excesses of the Levee Board. That bill—which became law—says that after January 1, 1963 the Levee District cannot issue bonds without referendum.

That means that after January 1, 1963 before they can indiscriminately issue bonds, they must prove their case to the people. The result will be tremendous savings for the people of this area.

Paul Simon has had the courage to act, on this and on many other questions. But when you act on questions like this you step on powerful toes. Paul Simon has not hesitated to step on powerful toes in the interests of the people. Now those powerful toes want to kick him out of office.

You can keep him in the legislature—as your State Senator—if you go to the polls on April 10 and ask for a Democratic ballot.

A small vote will be a controlled vote, a machine vote, and Paul Simon will lose.

A large vote will be the people voting, and Paul Simon will win. Make sure you vote!

$500 Bills Will Be Given Away At Bank, Friday, 13th

Announcement was made today by E. A. Karandjeff, president of Granite City Trust & Savings bank, that the opening of the bank's third new drive-in window off Edison avenue and enclosed walk-up window on Delmar avenue is scheduled for Friday, April 13.

Karandjeff stated, "We want to make this opening a 'fun event' so we're inviting everyone, customers and non-customers, to help us celebrate." There will be free gifts for everyone—corsages for the women, boutonnieres for the men and balloons for the children.

"And, since people frequently ask why banks don't give away samples of money, we will do just that," Karandjeff added.

Free $500 bills (in Confederate money) will be given away and there will be other surprises in store. Bank officers and hostesses will be on hand to greet and serve visitors.

The "Friendly Day" celebration is more than just fun, however. With the addition of the third drive-in window and walk-up facilities, Granite City Trust's customers will have added convenience and quicker service for their banking, Karandjeff said.

Noonday Optimists Hear Girl Scout Talk

There are more than 2200 girls in the local district of the new River Bluffs Girl Scout Council, scout leaders Mrs. George Eubanks and Mrs. Elsie Rodell told the Noonday Optimists at their Thursday meeting at the Elks Club.

The women presented the history of the Girl Scout movement and the recent organization of the River Bluffs Council, which has a total membership of more than 11,000 girls. The council covers an area of four and one-half counties.

Mrs. Eubanks, who is first vice-president of the council, related the history of the international organization, as well as the old Tri-City Council which was formed in 1926.

Guests at the club meeting were Mrs. Helen Miller, Nameoki neighborhood scout chairman; Richard Ashall, Rev. James Craddock and Virgil Claus. Dan Brown was program chairman.

GRANITE CITY UNIT
TO STUDY SEWING

The Granite City unit of the Madison County Homemakers Extension Association met Wednesday afternoon at Niedringhaus Memorial Methodist Church for a monthly meeting. Mrs. Genevieve Hill, unit chairman, conducted the meeting, which began with a dessert luncheon.

Mrs. Freddy McElroy presented a drapery lesson at a meeting held preceding the regular meeting. She demonstrated the correct procedure to use in lining drapes in making cafe curtains.

During the business meeting conducted by Mrs. Hill, the new constitution of the association was read. It will be presented at a meeting of the county group May 23 at St. John, United Church of Christ. The Southwest district will be host.

Mrs. Hill announced the forming of a new 4-H club, the Tri-City Astronettes. The club will meet every other Saturday at the "Y," beginning at 10 a.m., and Mrs. Hill will be the leader.

Mrs. Vyvyne Durbin, district chairman, announced that the district meeting will be held in May and the group will tour a bakery and supermarket. The date is not definite. There will also be election of a new chairman and secretary for the next two years.

Mrs. Hill said there will be no unit meeting in May. A sewing class will be held on the regular meeting date, May 2, at the church at 10 a.m.

A committee was appointed by Mrs. Hill to make all arrangements for the annual cook-out on June 6 at her home. She named Mrs. Glenda Ozbun as chairman, and assisting her will be Mrs Marcella Obranovich, Mrs. Ann Pare, Mrs. Mary Krizan and Mrs. Frances Jones.

The day's major lesson, "Spending 24 Hours a Day," was given by Mrs. Pare and Mrs. Ozbun, and the minor lesson, "Putting in Zippers," was postponed until the sewing class meeting May 2.

The dessert luncheon was served by the day's hostesses, Mrs. Pare and Mrs. Ozbun, who used three unusual table centerpieces on horseshoe-shaped tables. The center section of the table held a two-foot Easter bunny made of plastic bags, and the end sections held an apothecary jar filled with Easter eggs. The other section had a plastic floral arrangement that had been presented to the Granite City unit as the most outsanding unit in obtaining new members during a drive last fall.

Others present were guests, Mrs. Mary Kastelic, Mrs. Etalic Alessandrelli, and members, Mrs. Izetta Stayduhar, Mrs. Ann Noeth, Mrs. Alma Beckman, Mrs. Kathryn Arnold, Mrs. Kay Smolich, Mrs. Amelia Klesh, Mrs. Betty Hohlt, Mrs. Loretta Haack, Mrs. Rose Hayes, Mrs. Josephine Uram, Mrs. Norma Breidenbach, Mrs. Ethel Rogers, Mrs. Betty Weston, Mrs. Bonnie Lazenby, Mrs. Ada Kelly, Mrs. Carlie Hoffman, Mrs. Evelyn Guth, Mrs Anna Kunnemann, Mrs. Irene Campbell, Mrs. Charlotte Temple and Mrs. Elizabeth Morrison.

NEW 4-H CLUB
TO BE ORGANIZED

A semi-monthly meeting of the 58ers 4-H club was held Thursday evening at St. John United Church of Christ, with Kathy Brave, president, conducting the meeting.

The president urged the members to enter a city-wide safety poster contest and announced that Miss Jo Leslie of the Illinois Power Co. will hold a training school for all 4-H clubs in this area next Thursday at 7:30 p.m. at St. John Church.

Mrs. Kathleen Tadlock, assistant leader, announced that due to the growing number of girls in the organization, another club will be formed and its first meeting will be April 17 at St. John Church. Mrs. Ruth Brave will continue as leader of the 58ers and also will become leader of the new club. Officers will be elected and a name decided upon at the April 17 meeting.

Barbara Lerch gave a talk on "Lasses with Glasses," and there were demonstrations on "Shrinking Material" and "Taking Care of the Feet." A film on Communism was shown after the meeting, and games were played.

Donna Kinney, Diane Kinney and Linda Mullen served refreshments to the 58 members and two leaders. The next meeting will be held April 19 at the church.

FIREMEN'S AUXILIARY
HONORS TWO MEMBERS

Members of the Mitchell firemen's auxiliary honored two retiring members at a dinner Wednesday night at the Rose Bowl.

Mrs. Vera Whyers, president, presided at the monthly business meeting and Mrs. Ida Hanfelder presented Mrs. Mabel Norris and Mrs. Ann Eberhardt, the retiring members, with bandages of honorary membership.

Mrs. Hanfelder gave a brief history of the organization, started by her on Oct. 11, 1946. She was its first president.

She said the organization was the first of its type in Madison county and one of the first in the state, and had eight members. She and one other of the charter members, Mrs. Edna Paul, are still active.

Mrs. Hanfelder said the auxiliary has purchased chairs, tables and a water fountain and has donated founds to the volunteer fire department. The money was raised by holding dinners and dances.

The centerpiece of the table held an inscribed cake made by a member, Mrs. Carolyn Franco.

Other members attending were Mrs. Fairy Laswell, Mrs. Shirley Pasley, Mrs. Geneva Gibson, Mrs. Martha Katzman, Mrs. Dorothy Williams, Mrs. Billie Paul, Mrs. June Allen, Mrs. Edna Paul, Mrs. Flossie Sands and Mrs. Norma LaRose.

HOMEMAKERS PLAN
ANNUAL MEETING

Plans are being made by local units of the Madison County Homemakers Extension Association for the 1962 annual meeting. Formerly held in October, it will be conducted in May this year and hereafter.

The time and date are 10 a.m. to 3 p.m. Wednesday, May 23, and the location is St. John United Church of Christ on Nameoki road. Reservations for the luncheon are due by May 18. A style show will be held during the afternoon.

Main business to be transacted at the meeting will be voting on a new constitution. Definite plans for a May district meeting have not yet been made.

Other plans of the unit include touring a St. Louis bakery or visiting a supermarket; electing a district chairman and secretary for the next two years; visiting St. Elizabeth Hospital June 21 to hear a talk on hypnotism by Sister Theresa; and a tour of a bakery and ceramics studio in Collinsville May 10.

Police To Watch For Vandalism In Park

Police Chief Raymond Willaredt said today that Granite City officers will begin keeping a closer watch on the Wilson Park area following recent cases of vandalism which have resulted in extensive damage to a number of young trees and saplings in the park.

Nine damaged trees, their branches broken and twisted, have been reported by Park Supt. O. H. Williams in the past week. Valued at about $120, the trees, including several species of maple and gum, were so badly disfigured that they were uprooted by park employees and removed.

The vandalism is not confined to any specific area of the park, Williams said, but the majority of it occured in areas used by youths as shortcuts to and from school.

Williams added that he has reported similar instances of vandalism over the past three years, but that the recent outbreak is the most severe, possibly because more young trees have been planted recently out of the park's nursery.

The latest damage report was made Friday morning when park employees discovered that a 16-foot pinoak near the park tennis courts has been uprooted.

$46,862 MFT For County

Madison county was allotted $46,862 as its share of motor fuel tax paid into the state treasury during March, it was announced this week at Springfield. The March allocation represents a slight drop from the $52,000 figure for February.

ANNUAL RECRUITING TASK to obtain Granite City school district faculty members has been started by the administrative staff. Supt. Harold M. Kaiser (left) and High School Principal Lawrence C. McCauley (center) are shown interviewing a prospective teacher at the University of Illinois, where one out of six undergraduates are enrolled in teacher education programs.

EASTER SEAL CHECK is presented to Mrs. Howard Kaseberg (right), chairman of the Granite City Easter Seal Campaign, by Mrs. Jean Kelahan, president of the Junior Maecenas Society, General Federation of Women's Clubs of Granite City. The contribution was made in honor of special guests attending a party given by the society last week at the home of Mrs. James DeWitt.

JP Has Authority In All Of County, Clark Rules

Jurisdiction of a justice of the peace extends throughout the county in which he is elected, Illinois Attorney General William G. Clark has held in one of a group of new rulings announced by his office. A person charged with violating a law which is within a JP's jurisdiction can be tried before any justice in the county, he noted.

Clark also has ruled that:

There is no statutory provision for holding a referendum after a municipality has annexed a tract of land under provisions of the Cities and Villages Act.

Proceeds from tax sales of lands by a county should not go into the county general fund, but instead should be distributed to taxing districts in the county in proportion to their respective interests in the properties sold.

A county treasurer is not entitled to any fee for receiving or disbursing funds under provisions of the Public Assistance Act.

Neither a county clerk nor his deputies have legal authority to deliver official ballots to the residence of any applicant for an absentee ballot.

A county board still has authority to spend county general funds for county road purposes.

SIU Professor To Conduct Youth Workshop At YMCA

Registration is now being conducted for a youth leadership training program to be sponsored by the YMCA, beginning May 1 and consisting of four workshop programs.

Directing the training program will be Dr. Raymond E. Troyer, assistant professor of psychology at the Edwardsville campus of Southern Illinois University.

In a letter sent last week to 200 community educators and others concerned with youth leadership, YMCA General Secretary C. A. MacMillan urged every youth leader in any capacity to attend one or all of the sessions.

"We all need a greater understanding of youth and the ways of working with them," MacMillan said. "They are entering this world's history in an hour of unprecedented crisis. Nothing but the best in leadership should be provided for them as they become mature adults."

The workshop sessions, to be held at the "Y", will begin at 8 p.m. and last for approximately an hour and 45 minutes, with a coffee break in the middle. First session will be May 1, with a meeting each Tuesday for four consecutive weeks.

Begin With Lectures

At the beginning of each session, Dr. Troyer will deliver a half-hour lecture on the topic of the evening, after which a panel of teenagers and local youth leaders will discuss the matter.

A majority of the workshop time will be taken up with questions presented by people working in some capacity with youth, Dr. Troyer said.

DR. RAYMOND E. TROYER

Following each meeting of the training program, Dr. Troyer's lecture will be printed in the Press-Record so that it may reach as wide an audience as possible.

Dr. Troyer, who lives at 3312 Franklin avenue, is a member of the American Psychological Association and the National Council on Family Relations, and has served on a number of boards and councils concerning family life.

A former newsman, he was on the staff of the Chicago Tribune for 13 years. He is former director of guidance at Lake Forest high school, and worked for a year as a research associate at the University of Chicago, from which he received his Ph.D.

Similar Work In Montana

Before joining the SIU faculty two years ago, Dr. Troyer was on the faculty of Eastern Montana College at Billings. In 1960 he directed a state-wide youth leadership conference attended by 300 Montana professional persons, including judges, representatives of the state institutions, and others.

Dr. Troyer emphasizes that the program being planned by the YMCA will deal with the positive aspects of the youth of the community rather than the negative.

"Rather than the minor problems which may be presented by some of our youth," he said, "we are going to be concerned with the great potential they all possess."

"It is important that we have leaders who have a program which interests and challenges our young people," he explained. "If we don't, then they will find it somewhere else."

Committee Project

The leadership training program is the result of the work of a committee consisting of MacMillan, Dr. Troyer, Rev. Vernie Barnett, pastor of the Niedringhaus Methodist Church, Rev. Paul Evans, pastor of the First Assembly of God Church, Judy Rollins, a teenage advisor at the "Y", and Charles Meyer, local youth leader.

A registration fee of $2 will be charged for the course, to pay for a study book which will be used. The book, "How to Work With Teen-Age Groups," will become the property of the participant, along with brochures and other material.

Dr. Troyer said the workshop sessions, while all coordinated to the theme of "Understanding and Working with Teen-Age Groups," will be independent so that persons may attend one or all.

IRS Tax Assistance Here Two More Days

Last chance for receiving personal assistance here from Internal Revenue Service personnel before the 1961 income tax filing deadline will be tomorrow, when IRS representatives will be at the city hall council room from 9 a.m. to 4 p.m., and again on next Monday, April 16, during the same hours.

Jay G. Philpott, District director, said telephone assistance will be available from the East St. Louis office of the service through Monday. Telephone assistance is not available from IRS representatives visiting here.

"We would like the taxpayer to complete as much of his return as possible before calling on us for help," Philpott said. "In that way, both of us will be in a better position when help is needed to get a clear picture of the facts."

Elks Lodge To Install New Officers Tomorrow

Installation of new officers for 1962-63 will be conducted tomorrow night, beginning at 8 o'clock at Elks Lodge 1063, 1329 Niedringhaus avenue.

B. C. "Tip" O'Neill will be inee; Edwin Yackel, two-year ceeding R. E. "Mickey" Robinson. New officers were elected last month.

Other officers to be installed are Billie T. Williams, esteemed leading knight; James R. Kenney, esteemed loyal knight; A. E. Michel, esteemed lecturing knight; W. E. Slone, secretary; A. F. Buente jr., treasurer; Nelson Armitage, three-year trustee; Edwin Yachel, two-year trustee and Fred Buerkle, tyler.

A social evening will follow the installation, which is the main order of business of a regular meeting.

Dear son, oh how we miss you so, no one on earth will ever know.
Oh, if we could just hear your voice once more, and hear your footsteps at the door.
But God had other plans for you, things we just can't understand or see through.
But some sweet day in that heavenly land we'll walk together hand in hand where we'll never have to part no more and live forever and ever on that heavenly shore.

BROWNIE COOK-OUT

A cook-out was held by Brownie Troop 266 Friday afternoon at the home of the leader, Mrs. Marlene Serini, 1711 Market street. Girls taking part and cooking hamburgers, French fries and baked beans were Paula Stephens, Susan Stephens, Sharon Barham, Margaret Ann Bosworth, Chris Diane Rowekamp and Sandra Kay and Sharon Lucille Serini.

Saturday was spent with the leader and her daughters taking the girls at the cook-out and other Brownies, Susan Baker, Vickie Barker, Roxann Bosworth, Nona Stroder, Betty Ann Fouts and Sandra Smith to Wilson Park. The Brownies hiked there and back.

Each took her lunch and played games while at the park. They sang songs on the return trip.

No Fine This Week On Over-Due Books

In observance of National Library Week, today through Saturday, over-due books may be returned to the Granite City public library without fine, Mrs. Mary Knufinke, librarian, announced today.

Libraries often have "free days," Mrs. Knufinke said, but the free period at the local library will be continued all week. She said the special privilege will be extended to holders of all over-due works, no matter how long they have been out.

In addition, to the free book return, library tours, book and recording display, treats for the children and free coffee for adults will be featured this week at the library.

Library hours are 9 a.m. to 8:30 p.m. today, Wednesday and Friday, and 9 a.m. to 5:30 p.m. on Tuesday, Thursday and Saturday. The library is not open on Sunday.

Students taking the trip were Jane Johnisee, Roseann Cooper, Diana Davis, Ellen Douglas, Richard McIntosh, Larry Hill, Nancy Scaturro, Gary McDowell, Donald Marquis, Jackie Lake, Dorothy Wilkinson, Johnny Robertson, Beverly Martin, Ellen McKinney and Paul Sitton.

• • • •

Mrs. Lil Durey was hostess for a meeting of the Christmas club held Wednesday in the home of Mrs. Edna Miller of the Venice Homes. The afternoon was spent at games, and prizes were awarded.

Refreshments were served to Mrs. Naomi Bortling, Mrs. Margaret Painter, Mrs. Hester Ohlendorf and a guest, Mrs. Pearl Hoover of Bismarck, Mo. Hostess for the next meeting will be Mrs. Jessie Foley.

CHARACTER

Faith always makes a good anchor, but it still needs something solid to hang on to.

IF . . .

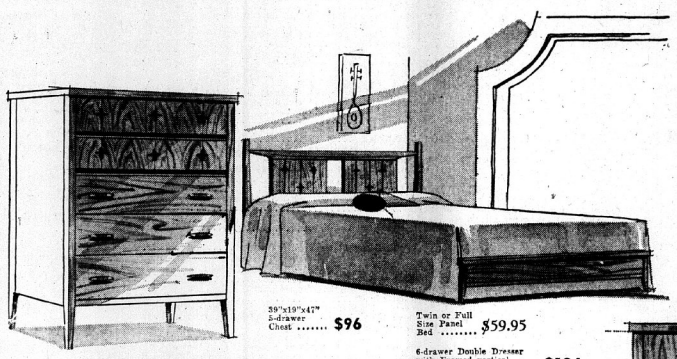

If you want to have a voice in who your next State Senator is, then you must go to the polls on April 10 and ask for a Democratic ballot. There is no Republican candidate. The choice is between Paul Simon and his opponent. Paul Simon has dared to step on powerful toes. It it is a small vote—if the people fail to take an interest—then Paul Simon will be defeated. The controlled vote will dominate in an election where only a few vote. A large vote will mean the people winning, not the bosses. Make sure you go to the polls on Tuesday, ask for a Democratic ballot, and vote for Paul Simon for State Senator.

CHRYSLER ENGINEERING STILL "FIRST" FOR '62

We're "proud as Punch" of our '62 Chrysler line says Bob Maddox, Maddox Motors, Inc., 4100 Nameoki road. "Just look 'em over," Bob asks.

For example, Newport's surprisingly low price has caused thousands of smart car buyers to move up to Chrysler. And because Chrysler builds only full-size cars, your new-car investment is fully protected. No small cars steal the thunder from the Chrysler name!

Unlike many cars that are big in name only, Newport is a full 214.9 inches of pure-bred Chrysler. Inside its full-size, all-welded Unibody, there's plenty of room for six adults (with luxurious carpeting wall-to-wall — plus 33-cubic-feet of luggage space. Newport's hefty 361-cubic-inch Firebolt V-8 engine delivers full-size Chrysler performance on regular gasoline (an even 20 m.p.g. when it won its class in the 1961 Mobilgas Economy Run!).

Newport has all the good things you'll find in every full-size Chrysler. A torsion-bar suspension (after six years, still rated tops by automotive experts). An alternator electrical system that generates current even when the engine's idling. New chassis fittings that need no lubrication for 32,000-mile intervals. Big Total-Contact brakes with 230 square inches of lining area.

Price it. This could be Newport's year to surprise you, too!

If you value an automobile with self-assurance and superiority, you will choose the New Yorker—the most luxurious Chrysler.

The New Yorker is indeed superior, by any measure. Its exterior is so well designed, in such good taste, that superficial embellishments are unnecessary. Inside, its decor is equal, to that of the most thoughtfully furnished living rooms. Rich nylon jacquard fabrics with fine, subdued patterns . . . deep-pile carpeting from wall to wall . . . all set with a spacious passenger compartment . . . these make the man and woman who appreciate fine surroundings feel very much at home.

The New Yorker proves its superiority with even greater finality on the road. Its FirePower 340 engine cruises effortlessly at legal limits for endless turnpike miles, with ample performance reserve. Its pushbutton TorqueFlite automatic transmission, Total-Contact power brakes, Constant-Control power steering make the New Yorker as easy to drive as many smaller cars.

Some competitive luxury cars cost far more, it's true. But none offers you more than the Chrysler New Yorker.

Chrysler Engineering "First" again for '62.

FOR THE MAN WHO WANTS TO GO "FIRST CLASS"—SPORT FURY

Make no mistake about it. While many would like to own the limited-production Sport Fury, it is not for everyone. It is for the man — and occasional woman — who can afford the automobile that runs circles—and then some—around other cars in its low-price class. So says Sherman Elledge of Elledge Motor Co., 19th and Grand avenue.

With an optional Golden Commando V-8 powerplant, the Sport Fury springs from 0 to 60 mph in 8.5 seconds in its showroom suit! For a family-size car, that's going some!

Performance is the Sport Fury's claim to fame—but other standard features you usually pay extra for also recommend it.

All-vinyl bucket seats with the look and luxury of fine leather. Convenient front-seat console. Padded dash panel. Torsion-bar suspension. Fully-unitized body. Special wheel covers. Distinctive exterior trim. Unique grille.

Notice, too, as you inspect the hardtop or convertible of your choice — the unmistakable craftsmanship of careful coachwork that marks the Sport Fury as quality-engineered throughout.

Take advantage of this special offer — come drive a Sport Fury today and get — free of charge—the biggest boot out of driving you've ever enjoyed! Caution: handle this car with care— it's hot!

GRAN TURISMO HAWK DISTINCTIVE

"Styled along the lines of great European road cars, Studebaker's 1962 Gran Turismo Hawk is a distinctive new family sports-style hardtop with a continental flair." This is Sherman Elledge's of Elledge Motor Co., comment on this fine new automobile.

Interior appointments give the owner the most advanced comfort and convenience features appreciated by American motorists in personalized cars.

Individual front bucket seats are standard and reclining seats with individual cushions and back are available as optional equipment. Both front and rear seats have foam cushions.

Between the bucket seats is a padded, vinyl - covered console which contains a built-in ash tray and a lift-lid storage box.

The safety-padded instrument panel has its instrument cluster positioned directly in the driver's line of vision against a wood grain panel background.

Classic styling touches of the '62 Hawk include the flat roof line, long, tapering hood, and a radiator grille that displays a fine line texture, sloping back on each side from a vertical center line and surrounded by a wide chrome-plated collar. The Hawk is powered by a 289 cubic inch V8 engine which develops 210 horsepower at 4500 r.p.m.

"BLOWOUTS" CAN CAUSE FATAL ACCIDENTS

Blowouts can cause many fatal accidents, even more so than has previously been supposed. The research organization of George Neustadt, Inc., in conjunction with The Chemstrand Corporation, tabulated the number of accidents in which blowouts were a factor during the period of one year. Neustadt was able to gain substantial statistics on 35 per cent of all reported accidents and their figures were as follows: a total of 988 accidents in which blowouts were the main factor, with 190 persons killed, 1029 injured and 1294 vehicles involved. Of these accidents, 673 took place on the highways, 131 on city streets, 75 on turnpikes, 39 in service stations and 109 miscellaneous. This still leaves a full 65 per cent of the reported accidents still not listed, with its staggering total of deaths—to blowouts alone.

Tire failure caused by worn or bruised casings . . . tire cord rotting away inside . . . defective brakes . . . headlights or tail lights which are dirty or out of order — these and other dangerous defects mar a surprising number of cars on the road today. In 1959, 20% of the cars and 25% of the trucks inspected in a voluntary Motor Vehicle Safety Check was found to need repairs. In most states with compulsory inspection programs, the percentage of cars tagged "unsafe" is about 40%, and one state reported 63%.

DISTORTION

For the windshields of some recent automobiles, good visibility has been sacrificed for style. If you are in the market for an automobile, look carefully through all parts of the windshield. If distortion at any point is bothersome or makes you unsure where objects really are, look for another model car.

MIRRORS

A good rearview mirror is essential to safe driving particularly on multiple-lane streets and highways, where switching lanes is often necessary in preparation for turning. A left-mounted outside rearview mirror is very helpful in switching lanes and making left turns.

THINGS YOU SHOULD KNOW ABOUT THE OLDS F-85

From "Bill" Woodrome, Woodrome Oldsmobile

Oldsmobile is offering nine different models in Oldsmobile's F-85 line of smaller, economy cars for 1962. These include the entirely new Cutlass Convertible with front bucket seats as standard equipment; an F-85 four-door sedan; four-door, two-seat station wagon; four-door, three-seat station wagon; a club coupe; a deluxe four-door sedan; a deluxe four-door, two-seat station wagon and a convertible sports coupe.

* * * *

Mr. Woodrome says that many new styling refinements and mechanical advancements are 1962 features of Oldsmobile's F-85 line. Almost two inches of additional room are provided between front and rear seats of the four-door sedans.

* * * *

The 155-horsepower Rockette all-aluminum V-8 engine, which powers Oldsmobile's F-85 models for 1962, is standard on all of the Oldsmobile smaller cars. The 185-horsepower Cutlass V-8 is standard on both the F-85 Cutlass sports coupe and the F-85 Cutlass convertible. It is available as an extra-cost option on other models of the F-85 line.

* * * *

New, attractive headlining of all-vinyl plastic is being introduced by Oldsmobile in 1962 in seven of its F-85 models. The F-85 Cutlass convertible offers a distinctive, textured white vinyl top, optional at extra cost.

Wheels Specialty At Service Garage

One of the busiest retailers in a community or neighborhood of a big city is a franchised automobile dealer. Even those townspeople who don't own cars probably know him or at least have heard of him.

The average dealer spends almost as much time in community affairs as he does behind the desk at his office. A recent survey shows that 57 per cent of the nation's 34,600 auto dealers are members of the boards of directors af various schools, churches and charitable organizations in their towns.

When a local charity drive is being organized, one of the first places organizers go for help is the auto dealer, unless he is already there as one of the organizers. More than eight out of 10 auto dealers participate regularly in such programs.

Five Ways To Save On Auto Insurance

Here are five ways motorists can save money on car insurance in most states, according to the Insurance Information Institute:

Safe driver discount, for which about 70 per cent of motorists quality.

Package policy combining coverage at savings of 10 to 20 per cent.

Two or more cars discount.

Driver education discount of 10 per cent, if every young man under age 25 in the household has successfully completed recognized course.

Farmer discount of 30 per cent.

One of the best known and one of the most significant contributions is the donation of new cars for use in high school driver training programs in their communities.

Franchised Dealer Role Important

Tire wear is usually contributed to faulty wheel alignment. Barney's Brake and Wheel Alignment Service, located at 2311 Madison ave., specializes in wheel alignment, wheel balancing and brake work.

Local owner, Barney Schwarzkopf and his son, Francis, have been in the tire and wheel business for many years, and have the experience to give the Quad-City area expert service in their field.

From time to time, Barney's offers specials which smart tire buyers are taking full advantage of. Watch the Press-Record for announcements of those special offers.

MORE ROADS

Fifty years ago, mileage of all public roads in the United States totaled 2,199,645 miles, of which 190,476 were improved. This compares with today's total of 3,094,000 miles, of which 2,125,000 or 68.7 per cent are surfaced roads.

1962 Dodge Polara 500 Wins Magazine Award

NEW YORK—"Cars, the Automotive Magazine," has announced creation of a new "Performance Car of the Year" award and said the Polara 500 has been selected to receive the first performance trophy.

In the road-test on which the "Performance Car of the Year" designation was based, the '62 Polara was "just about unbeatable as an all-around car.

"We found the Polara 500 for '62 to be one of the best-riding, best-performing, and handling, most comfortable cars we have ever had the opportunity to drive. There is power-plus to please just about anyone.

"This year's version of the Polara is strictly a high-performance, sporty-looking piece of automobile. This baby is a goer and a looker and ten minutes behind the wheel of one should convince anybody on that score.

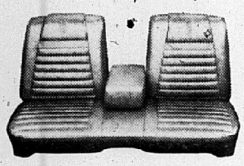

See The Fabulous Dodge EXHIBIT

THE FANTASTIC POLARA 500

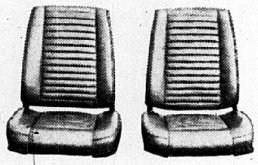

Now's your chance to see it! A special-edition car with everything! Bucket seats. All-vinyl fabric. Thick rugging. Wallop. The works. The fantastic 500! See it and all the other new Dodges: The Lancer GT, America's first Sports Compact. The Dart 440, first of the Action-Economy cars. Now being featured at the Auto Show.

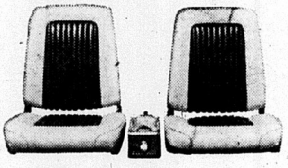

Sumptuous Luxury Unheard of Comfort!!!!

A CONVERTIBLE SEAT—From bench-type to bucket-type with the flip of an armrest! The end to mob treatment! Standard in all Dodge Dart 440 models.

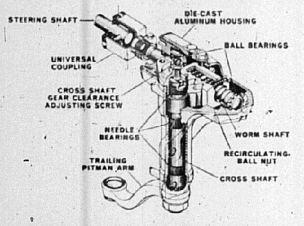

BOUNTIFUL BUCKETS—Generously padded and pleated to sit cool and fit your form. Standard in the Lancer GT with vinyl interior, sill-to-sill carpeting.

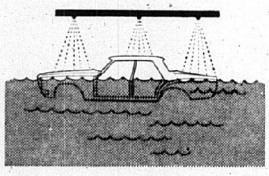

CUSTOM STYLED for the Polara 500: buckets of soft, supple vinyl. Individually adjustable. In between, a storage console for diamond rings and things.

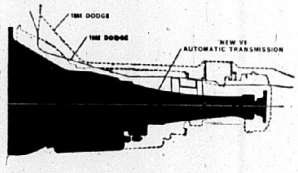

PLUS SENSATIONAL MECHANICAL INNOVATIONS!!!!

PRECISION STEERING because of a newly developed low-friction steering gear that makes handling about the easiest you've ever experienced!

WAR DECLARED ON RUST—Every Dodge is rustproofed, inside and out, by a seven-step dip and spray process. Mufflers aluminized, too.

THE BUMP'S OUT OF THE HUMP New V8 automatic transmission is more efficient, less bulky. Less hump, more legroom.

NEW '62 DODGE "OUTSTANDING"

The CR2A gas turbine engine which powers the recently introduced Dodge Turbo Dart has the basic principles of a jet engine, according to Don Z. Farrington, owner of Farrington Motors, Inc., 1911 Madison. Simply, it creates a tornado in a box and blasts it out onto the blades of a driveshaft turbine wheel.

Where the jet engine uses the exhaust force to provide forward motion through action-reaction, the gas turbine uses the force to provide power to the wheels of the car.

Family passenger cars powered by the gas turbine engine moved a step closer when the Turbo Dart completed a successful five-day coast-to-coast run, from New York to Los Angeles, on New Year's Eve.

The decision to build a limited number of gas turbine-powered passenger cars for use by selected typical motorists as a final evaluation of the new engine is expected soon, according to Farrington.

The Turbo Dart is now on tour to major cities for press viewings and for public display in dealer showrooms.

"The Dodge trip was one phase of a program of evaluation to guide Dodge in deciding to build a limited number of turbo powered automobiles.

The most revolutionary aspects of the CR2A are a variable second-stage nozzle mechanism and the successful use of a regenerator.

The nozzle mechanism allows continuous automatc variation of shutter-type blades, permitting the jet-flow to power the turbine to be directed at any operating angle. It provides engine braking and significant increases in economy and acceleration.

Through the use of a regenerator, intense heat is taken from the exhaust gas and utilized to pre-heat incoming air and thus provide means of conserving fuel.

The main components of the Turbo Dart's gas turbine are an air compressor, combustion chamber, first turbine (for driving the compressor), a second turbine for driving the car, and a regenerator.

The weight of the Turbo Dart power plant, including reduction gearing and starter generator, has been kept under 450 pounds, some 400 pounds less than a comparable piston engine.

It has 80 per cent fewer moving parts than a comparable reciprocating engine. Being air-cooled, it requires no radiator or liquid cooling system.

The electrical system is extremely simplified, including only a storage battery, starter-generator, coil, and a single spark plug.

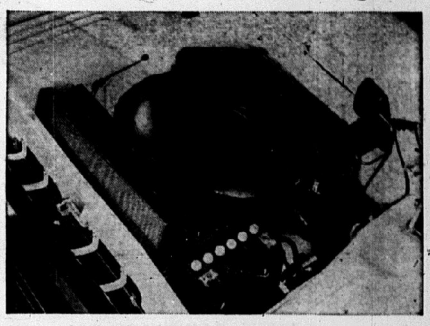

It will operate on practically any liquid that will flow through a pipe.

New '62 Dodges Outsanding

The '62 Dodge "880" is receiving enthusiastic acceptance in the Quad-Cities, says Walter Hoffman, sales manager for Farrington Motors, Inc. The Custom "880" is a brand new automobile made specifically for traditional Dodge buyers.

Hoffman said too, the complete line of Custom 880 Darts or Lancers are the answer to size and price for "new car" people who want the finest.

One Family in 6 Now Owns 2 Cars

In millions of American homes, when dad is asked for the car keys, he is very likely to ask, "Which car?"

According to Jack Mathews, of Mathews Chevrolet, more families in the Quad-Cities area are switching to the compact sized station wagon for a second car. The reason? It doubles as a family car and tote-all.

At last count, one-car-owning family in six had two autos, and an additional 750,000 had three cars. The number of two-car families has almost doubled in the last decade and the trend shows every sign of continuing.

Probably the biggest factor in increasing the number of two-car families to more than 6,650,000 is the post-war trend to suburban living. With favorite stores, family friends and community activities widely scattered, an automobile is essential. But if dad takes the car to work, or to the railroad station, everyone else is housebound or footbound until he returns.

Second Car New

The answer for many families is a second car. Once it was standard practice to keep the old car for mother to use when dad bought a new car. But with the array of sizes and types of automobiles available now, it is increasingly likely that a car meeting the specific purpose will be bought new.

Two developments have contributed greatly in increasing the number of two-car families: the station wagon and the compact car.

If dad just drives a short distance to the station or to work, he probably will be looking kindly on the easy-to-park and economical-to-operate compact field for his work-car. The same car will be handy when he and mother go out for an evening.

Station Wagons

The station wagon with its sleek all-steel body is as handsome and glamorous as a hardtop. Mother is likely to keep it at home, since it provides ample room to store purchases from the weekly shopping trip or to take the children and their friends to meetings and outings. Dad finds the wagon handy, too, when he wants to bring home lumber for a do-it-yourself project or buys some gardening supplies and tools that would not fit conveniently in a sedan.

Another factor that has made it easier for many families to buy and maintain a second car is insurance premium reductions available on the second and subsequent cars, and also on compact models.

A number of companies give a 25 per cent discount on the insurance for a second car and the general industry practice is to charge compact car owners 10 per cent less than premium on larger models.

SEAT BELTS CAN SAVE YOUR LIFE

We in America owe much to the motor car. Its design, engineering, and workmanship make the modern automobile safe and reliable when it is used properly. But with almost 40,000 lives lost in traffic accidents every year, it is clear that improper use of the automobile is an epidemic of national proportions.

Seat belts can help protect you, and members of your family, from death or critical injury. On many new cars they are optional equipment.

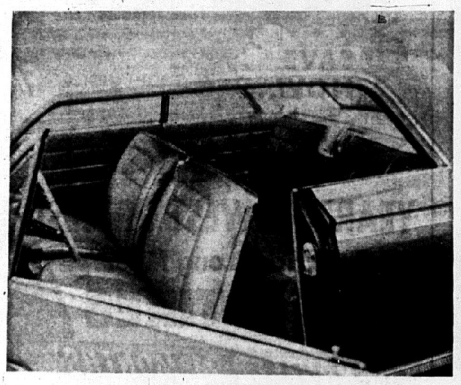

An immense amount of scientific research, including actual vehicle crashes, proves that:

1. Thousands of lives are lost each year because people are thrown against windshields or out of car doors by the impact of crashes. Your chances of being killed in an accident are five times greater if you are thrown from the vehicle. Your seat belt will help keep you in the car.

2. More than half of the accidents causing injury or death involve speeds of less than 40 miles an hour. Your seat belt can prevent or lessen injury in an accident and may save your life.

3. Figures show that three out of four traffic deaths occur within 25 miles of home. Your seat belt can protect you in town as well as on the highway.

Bucket Seats Are Standard Equipment On Chevrolet's Impala Super Sport

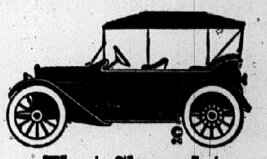

Impala Super Sport . . . personalized version of Chevrolet's most elegant series — Chevrolet's special Impala Super Sport equipment* gives you a unique opportunity to combine sports car style and features with full-size room and comfort. It is available for both the Impala Sport Coupe and Impala Convertible, with either standard 6 or V8, and includes: front bucket seats; leather-soft vinyl throughout; sports car assist bar; between-seat console with locking compartment; patterned aluminum body side molding insert; wheel covers with knock-off hub styling; plus distinctive Super Sport identification. You can gear up the go to match the sporty look with Chevrolet's many performance options*. Choose from one of Chevrolet's four optional V8's (ranging from 250 hp to 409 hp) and such high-performance equipment as 4-Speed Synchro-Mesh transmission, sintered-metallic brake linings, heavy-duty springs and shocks, 8.00 x 14 tires and electric tachometer.

*Optional at extra cost.

6700 CARS LOANED

More than 12,246 passenger cars are being used for driving instruction in United States schools. Of the total, 6700 have been loaned to the schools by automobile dealers, with financial aid from the manufacturers.

THINGS HAVE CHANGED SINCE 1913

First Chevrolet
1913

Nearest thing to today's convertible, the touring car was the popular thing back in the early 1900's. Families would dress up in their Sunday best and pile in for a family outing. Chances of enjoying themselves on such an outing though were mighty slim, what with the dust, wind, rain. Today, with all the modern convenience of automatic heat and cooling, music at the touch of a button, family outings can be fun for every member of the family, even the pet poodle.

SPEEDING NOT ALWAYS ACCIDENT CAUSE

Many motorists are still unaware of new findings on what causes accidents and how to avoid them despite the continuing emphasis by many public organizations on safe driving themes.

Most people know, for instance, that excessive speed is still the chief circumstance in auto fatalities. The National Safety Council, however, in a recent study pointed out that five out of six drivers involved in fatal accidents were not exceeding the legal speed limit.

The Council states that the reason is because of the widespread misunderstanding of what "speeding" really is. Most people would define it as "going faster than the law allows." To experts, speeding means "going too fast for existing conditions." Since speed limits are set for the best driving conditions —good weather, dry roads, daylight visibility, there are times when the legal speed constitutes dangerous speeding.

There is also new evidence on other causes of auto accidents which haven't been getting sufficient attention.

Take "injury accidents" for instance, the kind that don't destroy lives, only health. The chief factor in these accidents, it has recently been discovered, is not speed, but failure to yield right of way.

New statistics also reveal that following too closely behind another car is the second biggest cause of "injury accidents" in urban areas, third in rural areas.

Recent investigations have also shown that next to speed, driving left of center is the biggest factor in auto deaths — contributing 16% of fatal smashups in 1959.

LIGHTS

The biggest obstacle to good vision is darkness and good, properly-adjusted lights are your most important aid in reducing this obstacle.

Featuring sporty interiors and spirited performance, a new model has been added to Ford's intermediate-size Fairlane series. Designated the "Fairlane 500 Sport Coupe," the car offers a new and more powerful 260-cubic-inch V-8 engine along with a luxuriously appointed, bucket seat interior. The front bucket seats are similar in construction to those offered in the Thunderbird, and are separated by a console that contains a convenient personal effects compartment. The Fairlane 500 Sport Coupe is the fifth model to be offered in the Fairlane series. Two- and four-door models are currently available in both the Fairlane and the Fairlane 500 series.

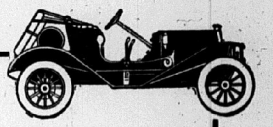

LIVELY LUXURY

"Lively Luxury" might well describe the new Ford Galaxie 500 X/L says "B" Hohlt of B. E. Hohlt Motors, Inc., 1837 Madison Ave. Offered in both convertible and hardtop models, the 500 X/L features Thunderbird-type bucket seats and console as well as custom designed interior appointments. Unlike conventional cars, the control levers for either the 4-speed manual or 3-speed automatic transmissions are mounted on the console where they provide the driver with greatest ease of operation. Available with a complete range of performance options, including Ford's new 406-cubic-inch engine, the new models will go on sale in Ford dealerships early in April.
